IT'S THE EASTER BEAGLE, CHARLIE BROWN

Whether it's Snoopy, the beagle bluff, or a magical holiday hero who sweeps out of nowhere into Peanutland, Linus insists 'It's the Easter Beagle, Charlie Brown' in the animated Peanuts special of that title to be rebroadcast Sunday, March 19, on CBS-TV.

As the other Peanuts, including Charlie Brown, Lucy, Peppermint Patty, Marcy, Sally and Schroeder, busy themselves with the accoutrements of Easter festivity, Linus protests that they are wasting their time, "because," he proclaims in his philosopher tone, "the Easter Beagle does all that." On Easter Sunday, according to the Linus legend, this benevolent canine gives colored eggs to all the good little kids.

Lucy characteristically rejects the whole idea. Then a strange thing happens on the way to the Eater-egg hunt—something that confirms both Linus' idealism and Lucy's disbelief.

Snoopy's friend Woodstock (pictured) is appropriately amused by the whole situation.
