A REAL CHRISTMAS GIFT IS

5 acres of rich land near Portland, on electric carline.

HILLSBORO ACRES is the land and every inch is ready to plow.

Beautiful location as to the lay of the tract and mountain view.

Ask any old-timer what Washington County soil will produce.

An Iowa man purchased 10 acres last Spring; it's all in fruits and vegetables and you couldn't buy it for less than $500 per acre; he had a good potato crop besides all kinds of berries, etc.; and in a few years his fruit trees will make him an income for life.

We will have your tract farmed on the share if you cannot go onto it now.

REMEMBER—There is never but one land crop. We cannot buy here again and sell at the prices and terms we do now.

The rapid growth of Portland will increase its value beyond your expectation. So buy right now.

Price, $200 per acre, $30 per acre cash, balance $3 per acre monthly.

The crops will make your payments and more besides.

This is an unusual opportunity for future independence.

Send us your check to the TITLE & TRUST CO., PORTLAND. They will issue contract and deed.
