WEATHER CONDITIONS.

The barometer is relatively low over the western half and relatively high over the eastern half of the United States. Light showers have fallen in Oregon, Eastern Washington, Idaho and portions of California. It is cooler in Northeastern Oregon and Eastern Washington. Elsewhere the changes in temperature have been unimportant.

The river rising at 5 P. M. was 21.9 feet, which is a fall of two-tenths of a foot in the last 24 hours.

The conditions are favorable for showers Saturday in Eastern Washington and Northern Idaho and for generally fair weather in the remaining portion of the North Pacific States.

FORECASTS.

Portland and vicinity—Fair; westerly winds.
Oregon—Fair; westerly winds.
Washington—Fair west, showers east portion; westerly winds.
Idaho—Fair south, showers north portion.
EDWARD A. BEALS, District Forecaster.

Monmouth School Attracts.

MONMOUTH, Or., June 27.—(Special.)—The Summer session of the Oregon Normal School opened with an enrollment of 160 and the indications are that this number will be increased to 200. Many students have enrolled with the intention of graduating ultimately from the school. The appointment committee reports that nearly every member of the June graduating class has secured a position.

Women of Woodcraft Convene.

CENTRALIA, Wash., June 27.—(Special.)—The convention of District No. 20, Women of Woodcraft, opened in Centralia today. Over 150 delegates from every part of Western Washington are in attendance, and the conference, which is held only once every four years, promises to be one of the best in the history of the district. A feature of today's programme was an address by Carrie C. Van Orsdall, grand guardian, of Portland.

Gearhart Conference Closes.

GEARHART, Or., June 27.—The work of the Young Women's Christian Association conference here was completed yesterday. The last two days were particularly busy ones. Among the good things saved for the last was the review, by Mrs. Stephen Penrose, of Whitman College, of the biennial convention, which was held in Richmond, Va., in April. At that convention Mrs. Penrose was chosen president of the National Young Women's Christian Association for two years. The conference was unfortunate in the weather, which was too wet for out-of-door sports.

Eugene Issues Voted Down.

EUGENE, Or., June 27.—(Special.)—Citizens today, by strong majorities, but with a small vote out, decided against adding a small building to the present high school equipment and against the purchase of a new tract submitted by the Board with the view to building a new high school. This brings a long-contested problem back nearly to the starting place.

Damage Suit Unique.

ABERDEEN, Wash., June 27.—(Special.)—Damages of $20,000 from the Grays Harbor & Puget Sound Railway Company, now the O.-W. R. & N., is asked by Mrs. Jessie Minton for the death of her former husband, J. R. Barney, a railroad brakeman. The case has a peculiar turn, since Mrs. Minton, believing that Barney had secured a divorce, had remarried before the brakeman was killed. Since she has had a second ceremony performed with her present husband.
