FOR SALE—FARMS.

WE OFFER FOR $200
A FARM AND
A LAKEVIEW LOT.

We are placing 300,000 acres, the cream of the old Oregon Military Road Grant, on the market. We have 11,992 farms in a good country and 11,992 lots in a good city. Read this letter:

"Oregon Valley Land Co., Gentlemen: I own 442 acres of land in Goose Lake Valley. Have lived in Lake County 20 years, sheep-raising and farming. Have raised wheat, barley, alfalfa, timothy, wild clover, potatoes, parsnips, cabbage, in fact, all vegetables. Corn can be raised in this valley for stock feed. Our wheat is used principally for fattening hogs. Potatoes produce well and keep well. Fruits of all kinds are produced, apples, peaches, pears, plums, prunes, apricots, cherries, berries of all kinds grow well and have unexcelled flavor. Alfalfa and fruit will be the coming business of the country. I know of no country that excels in either. I am well acquainted with the Military Road Grant lands, and can cheerfully state they are the equal of the other lands in the country. L. G. Thomas, Address, Lakeview, Or."

We have scores of such letters, regarding our unirrigated lands. This is a good proposition for a home or an investment. Lakeview will have two railroads within 18 months. Go in ahead of the railroads and get in on the ground floor. That is the way to get rich. Look about you and see how the "old families" got rich. Just that way. It's the same everywhere. Ours is an Oregon proposition. Pry it open and investigate every detail. It is sound and good. Oregon Valley Land Co., 889 Chamber of Commerce.
