WHEN AN ARTIST

Paints a picture he has a model to pose for him. Without the model he could not paint the picture true to life.

SAME WAY WITH CLOTHES

When clothes are made for you they fit you—not drawn from the imagination of a "sweat shop"—or "mail order house" foreman. Better get a suit that will wear—and wear well—giving you your money's full value—and above all the price will fit you as does the garment.
