To all Whom it May Concern.

NOTICE is hereby given that I will petition the Honorable County Court of the County of Josephine, State of Oregon, at the April term, 1869, for an order to sell the Real Estate belonging to John S. Hall, deceased.

Dated Jump Off Joe, this 24th day of February, 1869. WM. A. GIBSON,

MANHOOD.—IN THE YOUNG and rising generation, the vegetative powers of life are strong, but in a few years how often the pallid hue, the lack-lustre eye, and emaciated form, and the impossibility of application to mental effort, show its baneful influence. It soon becomes evident to the observer that some depressing influence is checking the development of the body. Consumption is talked of, and perhaps the youth is removed from school and sent into the country. This is one of the worst movements. Removed from ordinary diversions of the everchanging scenes of the city, the powers of the body too much enfeebled to give zest to healthful and rural exercise, thoughts are turned inwards upon themselves.

If the patient be a female, the approach of the menses is looked for with anxiety, as the first symptom in which Nature is to show her saving power in diffusing the circulation and coaxing the cheek with the bloom of health. Alas! increase of appetite has grown by what it fed on; the energies of the system are prostrated, and the whole economy is deranged. The beautiful and wonderful period in which body and mind undergo so fascinating a change from child to woman, is looked for in vain; the parent's heart bleeds in anxiety, and longing the grave but waiting for its victim.

HELMBOLD'S EXTRACT BUCHU, for Weakness arising from excesses of early indiscretion, attended with the following symptoms: Indisposition to Exertion, Loss of Power, Loss of Memory, Difficulty of Breathing, Weak Nerves, Trembling, Dreadful Horror of Death, Night Sweats, Cold Feet, Wakefulness, Dimness of Vision, Languor, Universal Lassitude of the Muscular System, Often Followed by Aspect with Dyspeptic Symptoms, Hot Hands, Flushing of the Body, Dryness of the Skin, Pallid Countenance and Eruptions on the Face, Pain in the Back, Heaviness of the Eyelids, Frequently Black Spots Flying before the Eyes, with Temporary Suffusion and Loss of Sight, Want of Attention, Great Mental Restlessness, with Horror of Society. Nothing is more disturbing to such patients than Solitude and nothing they more dread, for Fear of Themselves; no Repose of Manner, no Earnestness, no Speculation, but a hurried Transition from one question to another.

These symptoms, if allowed to go on—which this Medicine invariably cures—soon Follow Loss of Power, Fatuity, and Epileptic Fits, to one of which the patient may expire.

During the Superintendence of Dr. Wilson at the Blooming-dale Asylum, this sad result occurred to two patients; reason had for a time left them, and both died of epilepsy. They were of both sexes, and about twenty years of age.

Who can say that these excesses are not frequently followed by those direful diseases Insanity and Consumption? The records of the Insane Asylums, and the melancholy death by Consumption, bear ample witness to the truth of these assertions. In Lunatic Asylums the most melancholy exhibition appears. The countenance is equally sodden and spiritless—neither Mirth nor Grief ever visits it. Should a sound of the world occur, it is rarely attended.

"With the sad measure was Poetry Love, and the world's dull round, thus gently glided." While we regret the existence of the above disagreeable symptoms, we are prepared to offer an invaluable gift—a remedy as the result of life consequences—HELMBOLD'S BUCHU CONCENTRATED FLUID EXTRACT OF BUCHU. There is no time like it. It is an anchor of hope to the young and patient, and this is the testimony of those who have used or prescribed it.

Sold by Druggists and Dealers everywhere. Prepared at

H. T. HELMBOLD'S
Drug and Chemical Warehouse,
594 Broadway, New York.

RECOMENDATIONS.

GREAT SALT LAKE CITY, UTAH,
Jan. 28, 1868.

MR. H. T. HELMBOLD:

DEAR SIR:

Your communication requesting our terms for advertising was duly received, but from a prejudice I had formed against advertising "cures for secret diseases," it was left unanswered. During an accidental conversation in a Drug Store my mind was changed as to the character of your Buchu. It was then highly commended for other diseases by two physicians present. Inclosed please find our rates of advertising. Yours, &c.

T. B. H. STENHOUSE,
Editor and Proprietor of Daily and Semi-Weekly Telegraph.

N. Y. S. VOL. INSTITUTE,
Corner of 5th Ave. & 76th St.
Central Park.
(A Home and School for the Sons of Deceased Soldiers.)

DR. H. T. HELMBOLD:

Two bottles only of the package of your valuable Buchu presented to the Institute have been used by the children, and with perfect success. In the case of our little Lieutenant A. J., his pride is no longer mortified, and he is free from the daily morning anathemas of the chambermaid who has charge of his bedding. I feel that a knowledge of the result of our use of your Buchu with the children under our charge may save many a Superintendent and Matron of Boarding Schools and Asylums a great amount of annoyance; and to my a poor child suffering more from weakness than from habit, may be spared punishment, that is (not knowing it as a weakness instead of a bad habit) most unjustly inflicted upon them. Thanking you on behalf of the children, and hoping others may be make benefited.

I am respectfully yours,
COL. YOUNG,
General Sup't. and Director.

FRENCH MEDICAL OFFICE.

DR. JEROME PERGAULT, Doctor of Medicine of the Faculty of Paris, Graduate of the University Queen's College, and Physician of the St. John Benefit Society of San Francisco.

DR. PERGAULT has the pleasure to inform patients and others seeking confidential medical advice, that he can be consulted daily at his office, Armory Hall Building, Northeast corner Montgomery and Sacramento streets, San Francisco. Rooms No. 9, 10, 11, first door, up stairs, entrance on either Montgomery or Sacramento streets.

DR. PERGAULT's studies have been almost exclusively devoted to the cure of the various forms of Nervous and Physical Debility, the results of injurious habits acquired in youth, which usually terminate in impotence and sterility, and permanently induce all the symptoms of old age. Where a cure is attainable, restoring the happiness of a life and that of others, reason and morality dictate the necessity of treatment, for it is a fact that premature decline of the vigor of manhood, most essential and paramount, compulsory single life, have their sources in various the germs which are planted in early life, and the effects of which are frequently patent, lingering and fatal to the consort, will constitute of one or more of the following symptoms: Nervous Consumption, Pulsation in the Heart and Head, Weak Nerves, Muscular and Mental Depression, Loss of Memory, Wakefulness, Loss of Vigor, Lassitude, Weakness, Loss of Hair, Pimples on the Face, Premature Decay, Wakefulness, Loss of Memory, Pimples on the Face, Lassitude, Pain in the Back, Dimness of Sight, Nervous Irritability, Dyspepsia, Palpitation, Trembling, Cold Feet, Night Sweats, Hot Hands, Flushing of the Body, Dryness of the Skin, Eruptions on the Face, Pain in the Back, Heaviness of the Eyelids, Frequently Black Spots Flying before the Eyes, with Temporary Suffusion and Loss of Sight, Want of Attention, Great Mental Restlessness, with Horror of Society. Nothing is more disturbing to such patients than Solitude and nothing they more dread, for Fear of Themselves; no Repose of Manner, no Earnestness, no Speculation, but a hurried Transition from one question to another. These symptoms, if allowed to go on—which this Medicine invariably cures—soon Follow Loss of Power, Fatuity, and Epileptic Fits, to one of which the patient may expire.

The patient will consider himself fortunate if he escapes Vertigo, and that the sight and Hearing are not impaired and weak, accompanied by distant palpitation, Twitching, palpitations, fainting spells and pain in the side, whilst some have expectoration of pus, and symptoms of the body, some of the most common symptoms are pimples on the face, and nothing will spread pimples on the body. Patients suffering from the above should apply immediately to DR. PERGAULT, either in person or letter, and be will guarantee a cure of Spermatorrhœa and Impotence in six to eight weeks.

Patients suffering from venereal diseases in any stage, Gonorrhœa, Gleet, Strictures, Bubos, Ulcers, Cutaneous Eruptions, etc., will be treated on reasonable terms. All expenses and Medicines found within reasonable terms for a fee.

DR. PERGAULT's medicines are in the office, so patients can see for themselves that they are not in the case of a regular educated physician. The best references given if required.

Patients will find the under charges moderate as well and examine for themselves. We have everything to gain and no know everything we do cure everybody, but we do claim that difficult cases, under ordinary circumstances, we guarantee a cure. We particularly request those who have tried the boasted doctors, and their silver and Physicians bill worn out and discouraged to call upon us.

Low charges in single cases.

Ladies will come from any complaint incident to their sex, can consult the doctor with the assurance of relief.

FEMALE MONTHLY PILLS.

DR. PERGAULT's Female Pills are recommended for the cure of Female Obstructions, a well tried remedy, unsurpassed, and for the relief of every other disease peculiar to the female system. These pills are recommended, and there can be no disappointment in using them, as they will not injure the constitution, or cause any inconvenience, or exposure, nothing injurious to health, or interfering with business, and the patient will consider themselves fortunate. PACIFIC

BUSINESS

COLLEGE,

MECHANIC'S INSTITUTE

POST STREET,

Between Montgomery & Kearny,

SAN FRANCISCO.

The importance of a thorough and practical business training for those who contemplate entering the mercantile profession, is now well known to require much comment. Without such knowledge, the young merchant will be soon involved in many embarrassments which diligence could be avoided. The youth, assured will first have it surrounded by inevitable difficulties, both in seeking a situation and in the discharge of its duties after employment is obtained. To have received instruction in a mercantile college, endorsed by the leading merchants of the city, is more efficacious in securing the favor and confidence of a business firm, than all the letters of introduction which records can give. The

PACIFIC BUSINESS COLLEGE

maintains a reputation for thoroughness and systematic training, far surpassing that of any other similar institution on the Pacific coast, as shown by the leading merchants of this city who employed graduates from the College, and are testimony to the practical efficiency of the courses here prescribed. The system of actual practice embraces all the varied operations of Business. A Ladies' Department has lately been added to the popular institution, the spirit of enterprise cannot fail to close with the well wishes of the public.

Address for all information,

A CARD.

We, the undersigned, merchants and business men of San Francisco, California, are of the general opinion that those who have completed the prescribed course of study at the Pacific Business College, and who have been in our employ, or that we have seen them, will prove accountable and the personal qualities of honesty, sobriety, industry, and good habits, which are essential to success in business, and will be a valuable acquisition to any firm.

We therefore recommend the College as being worthy the confidence and support of the community.
