ENTERTAINMENT TO BE LODGE BENEFIT

The proceeds from "You'll Be Surprised," the musical comedy revue to be produced here under the auspices of the Noble Grand's Club of the Rebekah lodge, will be used to aid in the liquidation of the indebtedness incurred by the Rebekah lodge in the remodeling of the I. O. O. F. hall recently.

When the hall was remodeled and transformed from an old style, out of date siructure into one of the most attractive buildings of the city, a large amount of indebtedness was incurred. This was apportioned among the various departments of the order on the basis of membership and the bulk of the indebtedness has been lifted.

It is expected that the entertainment which is to be forthcoming will result in enough to materially assist the Rebekah's in eliminating their share of the debt.

"ALFALFA JIM'S" SPIRIT AWAITED

PENDLETON, Ore., Jan. 9. (United Press).—Indian and paleface farmers are wondering if "Alfalfa" Jim, from the Happy Hunting Grounds to which he departed from Toppenish, Washington, several days ago will still control the Chinook wind which drives the snow and ice from the great grain fields of the northwest.

During his lifetime "Alfalfa" Jim was medicine man of the Walla Walla Indians. According to Major E. L. Swarthlander, superintendent of the Umatilla Indian reservation, Jim could bring the warm winds whenever he desired, if the proffered emoluments were sufficient to interest his peculiar and persuasive elemental talents.

According to stories, which were regarded by many in these parts as entirely true, ranchers in the old days would go to Jim and beg him to call out his Chinook and save the grain crops from an icy death. Jim was always willing provided he were offered sufficient inducement. When the desired amount, or "gift" as Jim called it was forthcoming his powers would be brought to bear on the northwest's kindly element and the grain would be saved.

Use this to Stop Neuritis Pain

No matter where your pain is located—in the back, shoulders, arms, legs or loins—you can get relief without taking anything to deaden the nerves.

Most people do not know that sciatica, rheumatism, neuralgia, bad teeth, colds and other ailments often end up in neuritis or nerve inflammation.

The quickest way to reach the diseased nerves is by absorption. That's where Tysmol gets in its work. Tysmol is applied over the spot where you feel the pain, and is taken up through the pores of the skin. It soothes and heals the inflamed nerves, helping to restore them to healthy condition.

Tysmol contains no dope—no poison. Absolutely harmless.

Get a good supply of Tysmol from W. F. Chapman, druggist. Price $1. The Tysmol Company, Mfg. Chemists, 166 Sutter St., San Francisco.
