It was announced today that General Italo Balbo, commander in chief of the fascist national militia, "owing to the impossibility of a duel" with General Peppino Garibaldi, had submitted the case involved in his challenge to General Garibaldi to the permanent court of-honor at Florence.

CHAMBER WILL HOLD ELECTION ON DECEMBER 2

New Board to Be Selected and Work for Coming Year to Be Planned.

RECORD IS RECITED

Accomplishments During Past Year Listed in Folder Being Mailed to All Members.

The annual election of the Roseburg Chamber of Commerce will be held on Tuesday, Dec. 2, and notice is being sent to all members in order that they may be considering the men they desire to make up the board for the coming year.

The Chamber of Commerce has bright prospects for the future. A great deal has been accomplished in the past, and the indications point to still larger achievements for the future. A folder has just been printed, and sent to each member outlining the work done during the past year, thirty-nine distinct achievements being listed.

One of the leading accomplishments of the year was publicity at home and abroad. Besides the booklets, folders, and information cards issued, many press articles were written, for information of people of this community and elsewhere. The chamber also sent broccoli to the banquet of railroad men in Chicago, receiving much publicity from that source. A motion picture of the broccoli industry was secured and is now in circulation. A "Do You Know" campaign put many interesting and formerly unknown facts before local people and strangers.

A registration bureau was maintained, giving the chamber an opportunity to get in touch with tourists. A survey of the city's payroll was completed, and a drive was successfully conducted to aid the local cannery.

One of the big features of the year was the dedication of the R. A. Booth bridge at Winchester, an outstanding event in the history of this part of the state.

The chamber cooperated in the foot and mouth disease quarantine; assisted in organizing chambers of commerce at Drain, Elkton, Riddle, Glendale and Myrtle Creek, and perfected a Douglas county chamber, and adopted the statewide land settlement program.

In cooperation with the Umpqua Chiefs a very successful strawberry carnival was staged. Work on the Umpqua highway has been supported, as well as the Tiller-Trail cut-off. Photos of Douglas county have been secured for publicity work. A home products show was presented, the auto camps were visited, and the chamber participated in the hearings regarding overhead crossings.

Among other accomplishments were the securing of new and adequate quarters, paying off indebtedness, entertainment of Artisan caravan, aid in forest fire prevention, securing of appropriate design for windshield sticker, aiding in having cigarette manufacturers include a forest fire warning card in each package, entertained the Portland trade caravan, cooperated with state chamber, aided in forming head lettuce association, secured fifty new members, prepared copy for new booklet, answered thousands of letters, compiled survey of Douglas county, maintained information bureau.

For next year one of the big events will be the great Indian rendezvous in July. This is a feature which if properly conducted will be one of the biggest events ever staged in the west. Indians from all reservations will be brought to Roseburg, and will reenact one of their rendezvous of olden times. Tourists from all parts of the country will be attracted, and it will undoubtedly be something better than ever seen before. A corporation will be formed with a capital stock of $20,000 to stage this event, and a nation-wide advertising campaign will be undertaken.

The chamber also plans to work for highway development, for cooperative action among growers, reduced freight rates, and development of resources and industries.

On the date of Nov. 7 the chamber had a balance on hand of $[illegible] as compared with 28 cents on January 1 of this year. The receipts during the period from Jan. 1 to Nov. 7 were $5,417.24 and the disbursements $5,735.46. At the rate of the report there are still outstanding the sum of $368.50 in unpaid dues.

This is a Studebaker year.

(Associated Press Leased Wire.)

NEWARK, N. J., Nov. 14.—Mrs. Mary T. Norton, democrat, of New Jersey, elected by 15,000 majority on a light wines and beer platform, over her republican opponent, Douglas T. Mrs. Norton, wife of Robert F. Norton, a brass manufacturer, is vice-chairman of the democratic state committee. She is highly educated and is interested in social welfare work.

Wife Helps Elect Hubby

"After having been in bed half the time for a year with severe pains in my right side over the appendix, stomach trouble and bloating, which the doctors seemed unable to reach with medicine, and advised operation as the only remedy, my nurse advised me to try Mayr's Wonderful Remedy, and its results have truly been wonderful as I am now entirely well and strong, and at the last election worked hard to elect my husband." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation, which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. At all druggists.

attachment was satisfied the surety company endeavored to retain the money to satisfy obligations alleged to be owing by C. R. Shipman. It was shown however, that the title to the certificate of deposit rested with the Glenbrook Farms corporation, against which the attachment was issued, and not in Mr. Shipman, and consequently the court directed the jury to return a verdict in favor of the bank, requiring the return of the $1,800.

Antlers Theatre

"The Rose of Paris" with winsome Mary Philbin at the Antlers Sunday, was adapted from the story, "Mitsi," by Delly, the pen name of sister and brother who have taken France by storm with a number of novels in the writing of which they have collaborated. It is the story of an orphan girl whose widowed mother died leaving her to the only friend she had after being disowned because of her marriage.

Then the death of the child's grandfather leads to a search for the daughter and discloses the existence of the granddaughter, who immediately becomes the pawn in a game of strategy played by the woman cafe owner and the partner and potential heir of the girl's grandfather.

PRETTY WOMEN

wherever you look in France

By Edna Wallace Hopper

In Paris, nearly every girl is beautiful. Nearly every woman, whatever her age, looks young.

That is because French women have demanded youth and beauty. And French scientists met that demand.

I found there most of my beauty helps. I make frequent trips there to find out the new ones. They multiplied my beauty and they've kept my youthful bloom. Thousands who see me daily on the stage wonder at the marvelous results.

Now all those helps are at your call. All toilet counters have them. In four preparations are combined 20 ingredients. No rich man's money can buy more. I've found in 40 years of searching.

My Youth Cream

My Youth Cream is a remarkable creation, combining many factors. It contains products of both lemon and strawberry. Also all the best things science gave me to foster and protect the skin.

It comes in two types, cold cream and vanishing. I use it as a night cream, also daytime as a powder base. Never is my skin without it. My velvet complexion shows what that cream can do.

The cost is 60c per jar.

My Facial Youth is a liquid cleanser which I also owe to France. Great beauty experts the world over now advise this formula, but their price is too high for most women.

It contains no animal, no vegetable fat. The skin cannot absorb it. So it cleans to the depths, then departs. All the dirt, grease, grime and dead skin come out with it. My Facial Youth will bring you new conceptions of what a clean skin means. The cost is 75c.

White Youth Clay

A new-type clay, white, refined and dainty. Vastly different from the crude and muddy clays so many have employed. The final result of 20 years of scientific study.

It purges the skin of all that clogs and mars it. Removes the causes of blackheads and blemishes. Brings a rosy afterglow which amazes and delights. Combats all lines and wrinkles, reduces enlarged pores.

No girl or woman can afford to omit it. It multiplies beauty. And many women seem to drop ten years after one application. My White Youth Clay costs 50c and $1.

My Hair Youth

The cause of my luxuriant hair, thick and silky, finer far than 40 years ago. I have never had falling hair or dandruff, and never a touch of gray.

A concentrated product combining many ingredients. I apply it with an eyedropper directly to the scalp. There it combats all the stifled hair roots. It tones and stimulates. No man or woman will omit it when they see what Hair Youth does. The cost is 50c and $1 with eyedropper.

All druggists and toilet counters supply Edna Wallace Hopper's beauty helps. Edna Wallace Hopper, 330 Lake Shore Drive, Chicago.
