TALKIE TO OUST SILENT MOVIE AND DRAMA--GRIFFITH

(Associated Press Leased Wire)

CHICAGO, Feb. 21.—In the opinion of David Wark Griffith, pioneer motion picture director, the talking movies within five years will force the silent movie and the spoken drama of the legitimate stage out of existence.

The man who produced the first "talkie" ten years ago made this prediction today as he stopped off here enroute to California from New York.

"I am sure the great future of the talkie has not been realized by the public," Griffith said. "The synchronized talking picture combines all the rythm, flow and action of the silent movie with the talk of the stage, and has added advantage of close-ups and perfectly attuned music. For this reason I am sure the legitimate stage and silent pictures will be things of the past within five years."

MICKEY WALKER 5-FAVORITE TO BEAT JACK WILLIS

(Associated Press Leased Wire)

SAN FRANCISCO, Feb. 22.—For the second time in twelve months Mickey Walker, middleweight champion, and Jack Willis, San Antonio cowboy will meet today in a non-titular ten-round bout at the baseball park.

Walker took the decision over Willis the last time they met after ten rounds of furious battling, and boxing fans are looking for a repetition of the same sort of thing today. Walker has been installed a 5 to 1 favorite in some quarters, and is favored by many to win by a knockout.

The joint promoters of the bout, Ancil Hoffman and Frank Schuler are gazing toward the possibility of a $50,000 gate for the affair and this morning the advance was approaching the $30,000 mark.

BILL IN CONGRESS ASKS AID FOR ALL NEEDY INDIANS

(Associated Press Leased Wire)

WASHINGTON, Feb. 21.—The house Indian affairs committee today approved the Arentz bill to authorize the secretary of the interior to furnish food, clothing, hospital treatment, or any other necessary assistance to any Indian, whether living on or off an Indian reservation. The committee referred the bill to the Indian bureau for a report before definitely reporting it back to the house.

The committee also gave tentative approval to a bill to authorize establishment of an employment agency for the Indian service and to authorize appropriation of $50,000 for upkeep of the agency. The measure was sent to the Indian bureau for its report and recommendations before final action was taken by the committee.

FARM RELIEF BILL WILL BE PLANNED

(Associated Press Leased Wire)

WASHINGTON, Feb. 21.—The house agricultural committee would be authorized to hold hearings between the end of the present session of congress and the start of the special session to work out a farm relief bill under a proposal incorporated in the second deficiency bill reported today to the house.

The authorization would not confine the hearings to Washington but would permit either the whole committee or sub-committees to sit at such times and places in the country as it found necessary.

The provision would set aside $2,500 for expenses of the hearings.

How much power is in your garden?

NATURE can do only so much with any seed. The seed itself must contain the promise and the power. You would feel convinced of the power of Ferry's purebred Seeds if you could see the great Ferry stock seed farm and trial gardens.

Here are acres and acres of specimen plants. Every plant that is mature is big, vigorous, beautiful, and bountiful. Only the best plants are allowed to mature—all else are weeded out. Any plant that doesn't produce true to type gets weeded out. And only seeds from the plants that measure up to the Ferry standards in size, color, flavor, productivity—are the Ferry's Seeds you can buy.

In these seeds is the power to produce flowers of superb beauty, and vegetables of superior flavor and size.

Surely all the work you put into your garden deserves just these seeds. Ferry's Seeds *have* to be all you expect when you buy them. In addition, they are fresh. No packet of Ferry's Seeds is ever carried over by the dealer for sale the second season. Ferry's Seeds may be had at "the store around the corner." Write at once for Ferry's Seed Annual—with its good garden advice. Address D. M. Ferry & Co., Dept. H, 500 Paul Ave., San Francisco, Calif.
