Absolute Serenity
Absolute Serenity provides seniors in the Sisters community a safe, attentive adult foster care that supports their residents' independence and integrity.

Soon, Absolute Serenity will be able to offer those critical services to even more Sisters seniors, as they break ground on a new adult foster care facility at the corner of Adams Avenue and Fir Street. This new facility will enable Absolute Serenity to continue its mission to provide seniors with a quality home environment and a smooth transition into a new phase of life.

Many residents come to Absolute Serenity at a difficult time in their lives and face health struggles like unstable diabetes, continued falls, isolation, recent heart attacks or strokes, progressive dementia or Alzheimer's. Sometimes a positive change is just stimulation, med-management, housekeeping, meals and a safe place to call home. And that creates serenity for your loved one — and for you.

Three Creeks Woodworking
