BEAUTIFUL ENGLEWOOD RANCH

A splendid property, on the main Umpqua river, and having marvelously fertile soil and climate conditions, with splendid timber and excellent domestic water piped throughout house, barn and numerous lots and feed corrals. On account of the several surgical operations and the recent hospital experience of Mr. Engle, making it necesary for him to spend much of his time in hospitals, and for financial reasons, he has concluded to sell that splendid country estate. This is not an ordinary or even an average ranch; but has all the requirements of a first class country home, where one can have the maximum of both comfort and profit, and live there under excellent climatic and all other most satisfactory conditions. There are 870 acres, well improved and most productive, for general farming, stock, dairying and for all kinds of fruit and berries and is all garden land of the highest productiveness. Has about four miles of main Umpqua River frontage. The river bottom lands have twenty feet or more of excellent soil. No overflow. Soil on slopes and benches is also deep and rich, excellent for fruit and all farm and garden purposes.

The parks of spreading oak, and the fir forests, all in an excellent parking system, are the wonder and admiration of all nature-loving people who see this splendid ranch, which is in a class by itself. Write, phone or see J. M. Engle, or any of his family on the Englewood ranch for prices and terms, on part or all of the property. A very low price will be made for quick action. Don't miss the opportunity of your life to secure the best country home that may be found anywhere around the globe. ENGLE, Kellogg, Or.
