MONDAY MORNING, JUNE 8, 1868.

FOR PRESIDENTIAL ELECTORS.
S. F. CHADWICK, of Douglas County.
JOHN BURNETT, of Benton County.
JAS. H. SLATER, of Union County.

DEMOCRATIC FOLK!

A SWEEPING VICTORY!

THE MONGRELS ROUTED!

Every Candidate Elected:

ALL HAIL.

SOUND THE NEWS ABROAD.

Six o'clock on Monday evening last, found the despoilers of Liberty, the treasury and of a white man's government, so far as Polk county is concerned, condemned by the people. The entire Democratic ticket is elected by majorities varying from twenty to fifty votes! The knell of the usurpers is sounded from Maine to California, and from there to the British possessions. Jo. Smith is triumphantly elected to Congress, and the Democracy continues to press forward its victorious columns. All hail! Glory enough for one day!

ENTITLED TO ALL PRAISE.—Mr. R. Doty, of Eola, on whose assumed disaffection toward our ticket growing out of his defeat in the Convention for Clerk, the repubs. rolled for strength, most manfully disappointed their hopes. No man did more for the entire Democratic ticket than he, and he was especially industrious in behalf of Mr. Thompson, his successful competitor in the convention. It is not in Mr. D. to do a selfish act. He works in the Democratic harness from principle.—No petty considerations can swerve him from this purpose.

From our Extra of Tuesday.

JUBILEE.—The Democracy in large force from all portions of the county was in Dallas last night for the purpose of celebrating their glorious victory won over the enemies of Liberty during the day, and right nobly did they jubilate. Shout of exultation rent the air, and booming of anvils was a sign to the country round about that the days of the usurpers were numbered. A procession, headed by Jack Grant, the "guerrilla chief" and Representative elect, marched to a pit dug by the Republicans on the Academy grounds and there buried the Republican party with all the honors a party guilty of its sins is entitled to.

This done, the procession reformed and marched to the residence of Dr Canterbury where a dozen or more ladies signified there appreciation of the importance of our great victory by the waving of handkerchiefs to the delight of all in the line as it marched past.

THE McGINLEY TROUPE.—This troupe of minstrels performed in this place on Friday and Saturday evenings of last week, and gave good satisfaction. The troupe consists of Mr. McGinley, son and two daughters, the renowned Johnny Graham and others. It is needless to say that when Johnny is to appear a rare treat is expected. Miss McGinley sings with marked effect.

ALL HAIL LUCKIAMUTE.—Luckiamute precinct came lumbering down on Monday evening with 30 majority. The republicans had counted on disaffection in this precinct and had bet their money freely with the mistaken notion that there would be "scratching" sufficient to beat our candidate for Sheriff. Luckiamute Democrats are not made of "scratching" stuff.

After sundown yestesday evening a republican could not have been found in Dallas with a search warrant. A man suggested that they had "gone to their holes and pulled the hole in after them."

DESERVES HONORABLE MENTION.—We do not propose to make invidious discriminations among working Democrats; we have hundreds of them and good ones, but Mr. Jos. Liggett, whose term as Sheriff has just expired, deserves honorable mention for his untiring zeal in behalf of the Democratic ticket throughout the entire campaign just closed so victoriously for the party.

THE DEMONSTRATION.

On Saturday, the 30th ult., the largest concourse of people ever assembled in Dallas was here to participate in the demonstrations previously appointed by either political party to come off on that day. In point of numbers and enthusiasm, it is the opinion of many that the Democrats had the advantage immensely, and especially so considering the fact that a large per cent. of the republican force came from Yamhill county and from which county we got nothing in consequence a general turnout of the Democracy on that day to hear Senator Nesmith at Lafayette.

At about 10 o'clock in the forenoon the Democrats gathered in mighty force in the bottom East of the Rickreal and opposite Dallas for the purpose of forming into procession. The procession formed, the mighty throng stretched itself out to great length, led by the Albany brass band which was immediately followed by a wagon drawn by four horses, and driven by Mr. G Hubbard, on which were seated 37 young ladies in uniform and representing either of the 36 States which belong of right in the Union, and the Goddess of Liberty.

In the procession were banners held aloft on which was inscribed respectively, a "White Man's Government" "J S. Smith for Congress," &c., &c. Altogether the procession was an imposing affair. The vast throng was marched to the court yard and addressed in the forenoon by Hon. Ben Hayden as only Ben can address an audience on a great occasion. The speaker was truly eloquent---made stirring appeals to the patriotism and good sense of the people all of which was right well responded to yesterday.

A cannon planted conveniently by peeled forth salute after salute in honor of the occasion. At the close of the Judge's speech, the audience was adjourned to the tables spread for the occasion and which were groaning under the best the season affords. On reassembling about the stand, the Hon. L F. Grover was introduced who spoke for an hour and a half, presenting an array of facts which made the republicans present tremble and wince. The speaker was peculiarly happy in his mode of attack on the impeachers—The ladies by hundreds were present and enlivened the scene with their smiles.

At the conclusion of Mr. Grover' speech, C. G. Curl, esq., made a short address.

Much credit is due to Dr. Jeffries Chief Marshal, and his aids for the acceptable manner in which they acquitted themselves throughout the day.

All told, Saturday, May 30, will be a day long remembered by the lion hearted Democracy of Polk.

QUERY.—Is income derived from bets against the black repubs.on election taxable under our Revenue system? If it is we would dread the job mightily of paying six per cent on the incomes of Capt. Miller and Asahel Bush for the present year. It would amount to an enormous sum.

THE three Democratic candidates for Representatives of Polk got votes in the county as follows: Grant, 629; Townsend, 630; Waymire, 631. This is what we call a regular run.

YAMHILL county went black by a small majority—through the usual system of republican frauds, as we learn The Democrats will contest.

THE proprietor of the banner which figured in our demonstration on which was inscribed, "The Whites from Bethel," was serenaded on Friday night last. Cannon were fired on the occasion and the exultation of the population over a county redeemed—from radical misrule—was quite universal.

THE Sheriff of Multnomah county proposes to play Stanton. Hon. Al. Zicber is elected by 248 majority and will probably apply the toe of a huge brogan to this contumacious customer.

THE world is Democratic and good people rejoice everywhere.

A PERTINACIOUS ACT.—On the morning of the late election, the would be Governor of Oregon, the Sneezer, turned loose four Penitentiary convicts, who, we learn were hauled directly to the polls and all of them but one voted the radical ticket. This one would not vote at all—had a spark of self respect left—an article to which our State Executive proved hsmself a total stranger.

A few ads left out again.

COMPLETED HIS WORK.—Governor Woods stumped California, New Hampshire, Connecticut and Oregon, handing over each state in its turn to the Democracy, with the exception of N. H. and come very nigh succeeding there.

OREGON fires the first gun against Grant and a *delirium tremens* monarchy. A new Congress will be elected the present year. Jo Smith leads in.

After the adjournment *sine die* of the Impeachment Court, the President kicked Stanton out of the War Office and nominated Gen. Schofield "in the place of Stanton removed." The Rump Senate did not like to confirm Schofield on account of the "removed" paragraph in his appointment. Gen. Thomas has taken charge of the Department *ad interim*.

THE U. S. Senate has passed a bill extending the time for building the Oregon Central Railroad. This will give the Gaston Company, who are entitled to benefits of the Land Grant ample time to complete their road as per its stipulations.

CHEEKY.—The *rum Guzzler* of the *Unionist* wants to leave the country for the country's good, but has not the wherewithal to pay expenses. He tried to obtain from a leading Democrat the other day, an amount of ready cash sufficient to secure a *steerage* ticket to San Francisco.

When U. S. (Universal Suffrage) Grant hears of the result in Polk he will withdraw from the race for President.

A man named Dempsey, residing near Hillsboro, lately attempted to dispose of himself by cutting his throat.—He will propably not recover.

J. I. Thompson's majority in the county is twenty-six, instead of eighteen.

The annual meeting of the Board of Trustees of the Corvallis College will convene on Thursday, June 18th, at 10 o'clock, A. M.

A full attendance of the Board is earnestly desired.

JAMES KELSAY,
President of Board of Trustees.

STILL TO COME.—Mr Shelley presented himself to a Bethel audience during the late canvass as "the Clerk of Polk county for two years to come." The gentleman probably realizes that those "two years" will be a long time coming. The "best laid schemes," &c.

THE Legislature to assemble in Salem in September next will be overwhelmingly Democratic in both branches. Its first business will be the repeal of the iron-clad oath, and the next thing in order will be the withdrawal of Oregon's assent, obtained through perjury and basest fraud, to the so-called XIV Amendment to the Constitution of the United States.

KELSAY, the gallant, of Corvallis, was distanced on last Monday, by L. F. Mosher of Roseburg, in the race for the Judgeship of the Second District. The Honorable gentleman, as an electioneering dodge, resorted to many side splitting jokes, but all to no purpose.

JUDGE Strahan of Corvallis is elected Prosecuting Attorney of the Second District. The Judge is an able lawyer, good man and an uncompromising Democrat.

The Democracy have just about made a clean sweep throughout the State. "A vote for Smith is a vote against Grant."

GRANT will be beaten 2,000 in Oregon.

KEEP your powder dry. Democrats the great struggle for Liberty against a negro monarchy comes off this fall.

THE Democracy of Oregon now have a majority of the Supreme bench of the State.

THE grave of the late Republican party, situated opposite our office, is being sadly neglected by its friends. Ungrateful wretches!

A telegram to the *Herald* announces that the President has been acquitted and that the Court of Impeachment has been dissolved.

IT is greatly to be deplored that the Democracy of this (Dallas) precinct had to make a three cornered fight on Monday as to a portion of the ticket. A mania for "scratching" seemed to have seized upon a few Democrats whose conduct in this behalf was in direct violation of every rule of honorable warfare, and demoralizing and disorganizing in its tendency. We regret very much that any Democrat felt called upon to mar his honorable record.

THE banners and inscriptions which figured so conspicuously on the occasion of our late demonstration were gotten up at Eola. Eola is a live place.

Rickreal, June 2d. 12tw

A bill has passed the House of Representatives, deferring the time for the operation of the 50 per cent. clause in the bankrupt act until June, 1869.—It has, ere this, probably passed the Senate.

The Legislative ticket run up to about thirty eight majority in this county.

PRACTICAL MISNIGERATION.—A staunch republican residing in Douglas precinct in this county, harbored a darkey named Frank about his house until he got a nigger in his family for his pains. Not admiring the pattern altogether he tried to put the little cuss on the county, but Judge Moor did not happen to see it just in that light. This little miscegenist now a "peart" little "nigger." How naturally the lord of the manor that contains this "treasure" hooras for Logan and the Congressional plan of reconstruction.

LOST.

Two spotted hound pups, about six months old. They strayed away some time over a week since. Any information concerning their whereabouts communicated to C. J. Williams, Dallas, will be thankfully received.

See advertisement of farm machinery, &c., to be sold at a bargain by Gen Nesmith.

Hon. Al. Zicber, U. S. Marshal for Oregon, was, on Monday last, elected Sheriff of Multnomah county by upward of two hundred majority. A. is a clever gentleman and will make a splendid Sheriff.

OUR old Democratic friend, Ben. L Norden, is elected Clerk of Multnomah county, by, we believe, 248 majority. Mr N. is one of the best penmen in the State, and is a thorough accountant. Nothing like sticking to principle, Ben. We congratulate you.

C. G. Curl, Esq., is defeated by about 20 majority in a Dist. which gave Sullivan about four hundred majority two years since.

McCORMICK, the shoulder bitter and venal wretch was beaten only Democrats in Multnomah county, for Treasurer. This is the man that the *Oregonian* and *Unionist* said would lead the rush of this state into the republican party. The Irish don't "lead" worth a cent, especially unto he came of their defeating persecutors and enemies.

WAS A GRAND FRAUD PERPETRATED?—In footing up the roll here from Nesmith precinct an error occurs against the Democratic candidates of five votes; Jackson precinct, two votes; Ballard's, one vote. Of course the boards of canvassers discovered and corrected these. There had been some roasting of officers at this thing but we republican candidates been cheated we expected when a bigger was to be perpetrated.

THE Democracy of Portland had a rally and torch light procession Saturday night last. McCormick the renegade Irishman—he who was tempted to sell his countrymen to their galvanic enemies; the shoulder and mountebank—probably fled to the mountains on this occasion.

Jo Smith's majority in Polk county is forty-six.

The vote of Oregon for Logan next Monday, will be the first gun in the fight for Grant and Colfax. It is a bayonet charge on the enemy. Push home.—*Record*, May 25th.

Rooted in your "bayonet charge" ha! Now where is your Grant?

In Clatsop county the Democrats elected their County Clerk, one Commissioner and Superintendent of Schools. This is badly, considering that Clatsop is a very black hole-in-the-ground.

James Buchanan died at Wheatland June 1st., aged 77 years.
