American Forces About to Capture Aguinaldo and His Army

McArthur Wreaking Great Havoc Among the Insurgents---A Large Number Killed and Wounded----The Great Movement Being Successfully Executed.

By Associated Press to the Journal.

NEW YORK, Nov. 6.—A special to the Herald, from Washington, says: With forces aggregating more than 30,000 fighting men, Lawton, MacArthur and Wheaton are closing in on Aguinaldo's army. Otis has set November 5 and 6 as dates for commencing a campaign "all along the line," and the war department has the information today that the program is being carried out.

Movement a Success.

MANILA, Nov. 6.—Magalang town that was taken yesterday by MacArthur is a strong place midway between Angeles and Arayat. The movement is a part of the plan for the Americans to possess all the country to the southeast of Tarlac. Wheeler's brigade is formed at Angeles prepared for a general engagement.

How Magaling Was Taken.

MANILA, Nov. 6, 10:15 a. m.—Two columns of General MacArthur's division yesterday took Magaling, about six miles northeast of Angeles, Colonel Smith, with two batallions of the Seventeenth infantry, two guns of the First artillery, and a body of engineers, advanced from Angeles, Major O'Brien with a batallion of the Seventeenth infantry and two troops of the Fourth cavalry moved from Calulut.

Colonel Smith killed 11 insurgents, wounded 128 and captured 50 as well as taking a lot of insurgent transportation. Major O'Brien killed 49 insurgents, wounded many and took 28 prisoners. The Americans had 11 men wounded.

EMPLOY PRIVATEERS

Private Property Of Great Britain Is Now Imperiled At Sea

Commerce of the World May Become Insecure--Boers Said to Have Issued Letters of Marque.

By Associated Press to the Journal.

NEW YORK, Nov. 6.—A special to the Herald from Washington says:

It is doubted here whether the Boer government could issue letters of Marque to privateers that would give the vessels the right to be treated otherwise than as privates. The Boers having accepted the suzerainty of Great Britain by the treaty of 1881, the international status of the flag would be very doubtful.

PARIS, Nov. 5.—The Temps corroborates the statement of the Eclair that the Boers have decided to employ privateers, and says:

"There is an immense fleet of transports at sea carrying troops. the transvaal government cannot seriously threaten these, but there is no doubt that it has issued letters of marque in Europe and the United States, and British commerce may suffer even if the transports do not."

LONDON IS RELIEVED

An Official Dispatch Shows White's Army Is All Right---Boers Are Resting--Are Importing Heavier Guns to the Siege of Lady Smith.

By Associated Press to the Journal.

LONDON, Nov. 6.---An Immense Weight was lifted from the public mind by a brief official dispatch published this morning by which the continental stories of disaster at Ladysmith are proved to be false. From the fact that General White is able to take the offensive and shell the Boer camp, it seems that Ladysmith is not so closely besieged as supposed.

ELECTIONS TUESDAY

McLlean Claims He Has Mark Hanna Beaten---Foster's Estimate Places Ohio in the Doubtful Ranks--John Sherman Quoted By Both Parties

The Elections Tuesday.

By Associated Press to the Journal.

CHICAGO, Nov. 6.—Elections will be held tomorrow in Ohio, Iowa, Kentucky, Mississippi, Maryland and Massachusetts to elect governors and other state officers. Nebraska elects a judge of the supreme court and regents of the university; Pennsylvania a treasurer, judge of the supreme and superior courts; South Dakota elects justices of the supreme court; New York, New Jersey and Virginia legislatures; Kansas and Colorado county officers. Municipal elections will be held in San Francisco, Salt Lake, New Orleans, Detroit and many smaller places; there are a sheriff and judicial officers to be chosen in Greater New York and mayoralty elections in some cities in New York.

War in Kentucky.

By Associated Press to the Journal.

NEWPORT, Ky., Nov. 6.—Governor Bradley has ordered out a company of the national guard to report, fully equipped with ammunition and travel rations. The order came by telegraph with no information of what duty was required.

"MANILA IS BEATEN."

Such is the Message of McLean to Voters of Ohio.

CINCINNATI, Nov. 5.—John R. McLean, democratic candidate for governor. gave the following address to voters, to the Associated Press:

"COLUMBUS, O., Nov. 5.—To the Voters of Ohio: But two days remain before the people of Ohio, by their ballots, give expression to their opinion on the issues before the public. After a most careful canvass, after a thorough look into nearly every township of the state, I believe that the democratic ticket will receive many thousands more votes than the republican ticket.

"After a careful look through the election system of Ohio, after going over the organization of our party and looking fairly into the organization of the opposition party, I do not believe that any wrong can be successfully brought about. All the Democrats have to do is to be careful; watch the votes cast; see the returns properly made and slated, shutting out all oppotunities to subtitute a Hanna ballot for a Democratic one, and victory is ours.

I say this without qualification, without reserve: Hanna is beaten.

"JOHN R. M'LEAN."

ESTIMATE OF FOSTER.

Says Republicans Will Win—Sherman in the Campaign.

CINCINNATI, Nov. 6.—The most significant event in the Ohio campaign is the prediction made by ex-Governor Foster, who has been speaking throughout the state. He estimates the total vote of the state at 975,000, of which Nash, republican will get not less than 465,000; McLean, democratic, not more than 410,000, and Jones, nonpartisan, and all others, will divide the remainder.

Yet Mr. Foster said there was a strong probability that Jones would cut down this estimate on the leading candidates, but if he did, three-fourths of the cutting would be on the McLean vote. Mr. Foster predicts that the Republicans will secure both houses of the legislature.

A peculiar feature of the campaign has been the use by both parties of utterances of ex-Senator John Sherman. Sherman had a warm feeling for Judge Nash, and the papers have published telegrams from him showing that feeling. One printed today, addressed to Chairman Dick, of the Republican state committee, says:

I feel the deepest solicitude for the election of Judge Nash. It will mean victory for sound money and prosperity."

It is also well known that Mr. Sherman has no cordial feeling for President McKinley and Senator Hanna, and that he openly antagonizes the president's Philippine policy.

British Fears Aroused.

By Associated Press to the Journal.

LONDON, Nov. 6.—The campaign of the Boers in Cape Colony is beginning to awaken the British fears that they have greatly under-estimated the forces they will have to meet and that Buller's task may not be as easy as anticipated.

The war office is being urged to have troops in readiness for all possible demands. The evacuation of Colenso and the reported withdrawal of the British from St Ormburger are still unexplained.

That the position at Pietermaritzburg is regarded serious is apparent from the fact that British cruisers are harrying to the station.

Giggantic Internal Revenue Frauds in Wall Street--Samoan Difficulty Has Been Peacefully Settled--Our Government Consents to Arrangements Between Germany and Great Britain.

NEW YORK, Nov. 6.—A special to the Herald from Washington says: "Congress should at once take action in relation to the Philippines" said Senator Morgan.

This action should be taken under section four, article four, of the constitution, which provides that the United States shall guarantee to every state in the Union, a republican form of government."

Samoa Settled.

By Associated Press to the Journal.

LONDON, Nov. 6.—Although the exact terms of the agreement are still carefully guarded, the Associated Press is able to say that the Samoan question is practically settled, and the finalities will take place within a few days.

It can be said that American control of Tutila island is confirmed while the United States has, it is understood, signified its approval of the projected arrangements between Germany and Great Britain.

By Associated Press to the Journal.
