Twenty Years Trial.

There are lots of good things the doctors know nothing about. We frequently cure people of disease after the doctors have given them up. If the disease comes from overwork, dissipation or exposure, causing weak and watery blood and loss of flesh and strength, we have the one sure remedy in Dr. Gunn's Blood and Nerve Tonic. These tablets taken with meals turn the food into rich red blood, making strong, steady nerves, and increasing the strength, building up solid flesh at the rate of 1 to 3 lbs per week. This means health. For nervous prostration, loss of memory, or a pale, sallow complexion, a better remedy was never made. Doctors know nothing about this remedy only the fact that we make cures; as we have been doing this for twenty years we know our method to be the right one. Druggists sell Dr. Gunn's Blood and Nerve Tonic for 75c per box, or 3 boxes for $2, or sent by mail on receipt of price. Write us for a pamphlet telling all about this great medicine. Address Dr. Bosanko Co. Philadelphia, Pa. For sale by A. C. Marsters, druggist.

But One McEwen

Professor McEwen, who begins a weeks engagement at the Opera House Monday, Jan. 25, is handicapped by peculiar circumstances. His reputation as a hypnotist is so great that his talents along other lines are completely overshadowed. As a matter of fact, few are aware that in his feats of legerdemain he is without a peer. There is nothing Herrmann, the wizard, or Heller, ever did that he does not easily duplicate and the hundreds of things he does that they never thought of are more wonderful than anything they ever done. When he goes down in the audience and picks a live canary bird from some lady's hair, makes it disappear and appear again in the most unexpected places and finally completes the pretty deception by pulling it not only in two but into two lively canaries, and then shows them to you in a cage which he has never been near, the mind is utterly bewildered. This is one of the many, as difficult tricks, and his feats of palming are simply indescribable.

Wonderful Nerve.

Is displayed by many a man enduring pains of accidental cuts, wounds, bruises, burns, scalds, sore feet or stiff joints. But there's no need for it. Bucklen's Arnica Salve will kill the pain and cure the trouble. It's the best salve on earth for piles, too. 25c, at A. C. Marsters & Co., Druggists.

Glendale News.

Dr. Bowersox and wife and little son Maxwell, left Wednesday night for a several days visit in Portland and Salem, where the doctor will combine business with pleasure. They will return home Tuesday morning.

We understand that Geo. Elliff has leased his fine Windy creek farm to Mr. Wilkinson, the stockman who recently moved here from Lake county, and that he has contracted to do some development work on the Tennessee mining property.

The many friends of Mr. and Mrs. A. H. Henson, of Galesville, will be pleased to learn that their bright little 8-year-old son Henry is recovering from what they thought was an attack of appendicitis.—News.

A Very Close Call.

"I stuck to my engine, although every joint ached an every nerve was racked with pain," writes C. W. Bellamy, a locomotive fireman, of Burlington, Iowa. "I was weak and pale, without any appetite and all run down. As I was about to give up, I got a bottle of Electric bitters, and after taking it, I felt as well as I ever did in my life." Weak, sickly, run down people always gain new life, strength and vigor from their use. Try them. Satisfaction guaranteed by A. C. Marsters & Co., of Roseburg, Or., Price 50c.
