Robbed the Grave

A startling incident is narrated by John Oliver, of Philadelphia, as follows: "I was in an awful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite, growing weaker day by day. Three physicians had given me up. Then I was advised to use Electric Bitters: to my great joy, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they robbed the grave of another victim." No one should fail to try them. Only 50 cents, guaranteed, at A. C. Marsters & Co. drug store, of Roseburg, Oregon.

Best Cough Medicine For Children.

You want one that is pleasant to take. Chamberlain's Cough Remedy meets all these conditions. There is nothing so good for the coughs and colds incident to childhood. It is also a certain preventative and cure for croup, and there is no danger whatever from whooping cough when it is given. It has been used in many epidemics of that disease with perfect success.
