Fire Thursday night destroyed the district school house on the Smick place, 3 miles east of Roseburg, entailing a loss of $300, with no insurance. The fire was undoubtedly of incendiary origin, as the building had not been occupied since the close of school last summer. School was to have been resumed there next Monday, with Mrs. W. A. Smick as teacher.

Work has been commenced on the erection of another brick business building 40x60 feet, on the corner opposite the Presbyterian church. It will be divided into two rooms which will be occupied respectively by Marsters Bros', marble works, and Bridges & Marsters' plumbing establishment. F. F. Patterson has charge of the work.

A good sized audience witnessed the production of "Ole Olson" by Ben Hendricks and his company at the Roseburg Theatre Thursday night. As a Swedish dialect comedian Mr. Hendricks stands in the front rank, and his singing of folk songs was also excellent. His support, however, is not considered up to the standard of the people he had with him two years ago.

Phil Beckley came over from Oakland Thursday evening on business and J. W. Pielsticker, manager of the Oakland Real Estate Co., was here this morning. The latter reports some new settlers in that vicinity. The Oakland Commercial club is working steadily for the advancement of local interests and is more than willing to co-operate with other parts of the county in placing an exhibit at the Lewis and Clark Fair. This county is badly in need of advertising literature, having none at all at the information bureau headquarters at the Union Depot in Portland. Douglas county is paying a large share of the tax levied to meet the $500,000 state appropriation for the Lewis and Clark Fair, and active efforts are now needed for making the county's resources and advantages known in order to realize some direct benefits therefrom.

TAINTED BLOOD

Columbus, Ohio, May 19, 1903.
Some four years ago I was suffering from impure blood and a general run-down condition of the system. I had no appetite, was losing flesh, and had an all-gone tired feeling that made me miserable. I began the use of S. S. S., and after taking seven or eight bottles my skin was cleared of all eruptions and took on a ruddy, healthy glow that assured me that my blood had been restored to its normal, healthy condition. My appetite was restored, as I could eat anything put before me, and as I regained my appetite I increased in weight, and that "tired feeling" which worried me so much disappeared, and I was once again my old self.
I heartily recommend S. S. S. as the best blood purifier and tonic made, and strongly advise its use to all those in need of such medicine. VICTOR STUBBINS, Cor. Barthman and Washington Aves.

Wheeling, W. V., May 28, 1903.
My system was run down and my joints ached and pained me considerably. I had used S. S. S. before and knew what it was, so I purchased a bottle of it and have taken several bottles and the aches and pains are gone, my blood has been cleansed and my general health built up. I can testify to it as a blood purifier and tonic. JOHN C. STEIN, 1513 Market St.
