EXCELLENT HOME IN GOOD NEIGHBORHOOD

Only nice homes are near this two bedroom home. It is located out from the hubbub of the city center and yet has many nice neighbors, city bus transportation, etc. Spacious living room big windows at one end and French doors opening into the patio at the other end. Fireplace and built-in book cases complete this lovely living room. Average sized dining room, extra big bedrooms. Attached garage. Fenced in back yard to keep children near home. Yep, it's a mighty nice place, the price ($9950) is right and naturally the terms are mighty easy. And we can prove it.

YOU BE THE JUDGE . . . .

We think this home is one of Roseburg's best. It is very well located just off east Lane street. Probably there is no home with a more commanding view and huge plate glass windows to take in every minute detail of it. Cheery kitchen with loads of nice builtins and breakfast bar. Big bedrooms. Two fireplaces, one in the easily-arranged living room and a second one for pappy's rumpus room in the basement. Incidently, the basement opens into the back yard and has lots of possibilities for patio. And you can cool off with the heating and air conditioning unit that has been recently installed. We have not overdescribed this home in our own mind, but you be the judge. $14,700. Very, very easy terms.

WE DON'T KNOW HOW TO BEGIN

telling you about this home. Honestly, it would take the rest of this page to finish describing it, (and that costs money.) It has large, extra-comfortable rooms with a splendid choice of colors. Casual venetian blinds allow blending of light in all rooms. Both bedrooms downstairs are spacious, there's plenty of room. There's one bedroom upstairs and room for a party room if desired. The tile front fireplace compliments the beautiful white oak floor in the living and dining rooms. The kitchen is compact and handy, but still there's room for a dinette table. An oil, air-conditioning furnace piped to all rooms keeps you warm in winter and delightfully cool and on days like these. All doors and windows are weather-stripped and house is insulated. The lawn, shrubs, and scads of beautiful flowers, plus many, many things we can't begin to dewill attract your eye. You'll admire it from the outside. You'll love it inside. Almost a a half acre of land goes with it. For $14,750, you can't go wrong. We'll be proud to show it to you.
