Portland Telegram: Money on the result of the primaries is being offered and taken, but generally at odds. Such money as is offered on the general result is that 70 per cent of the assembly county ticket will be defeated, and there is $100 begging on this basis. As a sporting proposition, it is considered that Jay Bowerman will receive the Republican nomination for Governor, but that he will not be elected. There are a few $100 bets on this proposition.

Mr. and Mrs. Thos. F. Harrington, of Indianapolis, were here Tuesday en route to the Red River mines on Rogue River, where Mr. Harrington expects to remain during the winter. The company, of which Mr. Herrington is a prominent member, has done a vast amount of work putting their big mining property in shape for operation and the big "giants" will be kept busy washing out the gold after the winter rains come on. A big flume, requiring nearly a million feet of lumber in its construction, has been built. A sawmill had to be constructed to cut this lumber, as there is only a pack trail over into that district. Mr. Harrington and his colleagues expect good results from their mines the coming winter.

Don't Break Down.

Severe strains on the vital organs, like strains on machinery, cause break-downs. You can't overtax stomach, liver, kidneys, bowels or nerves without serious danger to yourself. If you are weak or run-down, or under strain of any kind, take Electric Bitters, the matchless tonic medicine. Mrs. J. E. Van de Sande, of Kirkland, Ill., writes: "That I did not break down, while enduring a most severe strain, for three months, is due wholly to Electric Bitters." Use them and enjoy health and strength. Satisfaction positively guaranteed. 50c at all druggists.
