Why Cough Ask your doctor about coughs. Ask him if your own is necessary. If not, then why cough? Does he recommend Ayer's Cherry Pectoral? Ask him, and let his answer be final. J. C. Ayer Co., Lowell, Mass.

PASSING OF JOHN DAILY AT SULPHUR SPRINGS.

John Merrill Daily, who died at Sulphur Springs, Douglas County, Oregon, last week, of pleural-pneumonia, was born in Springfield, Mass., July 30, 1851. Coming to Oregon in 1870, from Rome, N. Y., where his parents passed away, he worked for three years at Yaquina, Long Tom and Eugene. On February 22, 1873, he came to Gardiner, but after a residence there of a year he moved to a farm on upper Smith River, where he lived until his death.

Mr. Daily left an estate valued at nearly $30,000. He was a member of the A. O. U. W. lodge. On April 23, 1874, Mr. Daily was married to Miss Sarah Cowan, at Sulphur Springs. She survives him, as do three sons and a daughter. They are J. R., and R. M. Daily, of Sulphur Springs, and Wm. Daily and Mrs. Gertrude Black, of Gardiner. Miss Bertha P. Daily, of Marshfield, is a sister.

The funeral was held from the family home, with services conducted by Rev. Father Springer, of Marshfield. "Johnny" Daily, as he was familiarly known, had a host of friends, who join with the bereaved family in mourning his demise.

SUTHERLIN NEWS.

Joe Thomas returned last Saturday from a trip to Dallas, Texas, where he went recently with a car containing H. I. Davey's horses.

H. S. Klepping, J. C. Acteson and S. F. Lason have formed a co-partnership in the real estate, insurance and law business.

Frank N. Gillett and Nelson St. Onge have leased from the Luse Land & Development Co. several acres of ground north of town and are arranging to install one of the most complete and modern brick and tile plants in the state. The land has been occupied for some time by Johnson & Williams, who have conducted a brick and tile plant there for several months. The capacity of the present kiln is 30,000 brick, but a new kiln will be erected at once with a capacity of 400,000. The firm has already booked several orders for brick for buildings to be erected in Sutherlin, while two or three orders have been received from Roseburg, and one or two from other points.—Sutherlin Sun.

IMPORTANT ANNOUNCEMENT

Our Many Friends and Well Pleased Patrons Know The

Pilkington Bros.

were the Pioneers in the garage and auto repair business in this locality. They know, also, that from the outset we have been satisfied with nothing less than the best that mechanical skill and materials could produce; and they have naturally experienced the pleasure and satisfaction therefrom—this is to inform all

We Begin the Year 1911

FIRST. By thanking all our friends and patrons for their generous patronage—and which, from every viewpoint we have endeavored to be fully worthy—and

SECOND. By establishing a still higher standard of efficiency and general appointments for

Our Garage

Resting confident in the belief that those who can afford to choose, those whose position and intelligence forbids that they should have anything but the highest and best the market affords, shall have no just war rant or cause to look for such attention outside of the

A splendid example of the 1911 model of which is now in our garage for practical demonstration to anyone who may be interested therein.

For the Mechanical and Repair Department

of our garage we have been exceedingly fortunate in securing the exclusive services as

Master Mechanic

of a man who for years has specialized in all branches of auto repair work in the larger garages of San Francisco and other large cities, together with a specially skilled blacksmith in auto work.

These two specialists in this particular field, our enlarged quarters for the general housing of machines, our already complete smithy and machine shop, together with our long personal experience in the business generally, makes us feel eminently fitted to meet any reasonable demand in any branch of auto repair, supplies or storage that can possibly be made upon us, and therefore unhesitatingly bid for the continued patronage and support of all our old friends and present patrons and of prospective owners of machines of any make that shall require the highest efficiency of workmanship at lowest possible prices, not only in repair work, but that of auto supplies of any and all kinds.

A well pleased customer is our highest business aim

And that is certain to result to any who patronize the
