Mrs. I. H. Smith returned Thursday from a visit with friends in Eugene.

Mr. and Mrs. O. P. Thiel returned Thursday from a week's visit in Portland.

Eugene Register: Clarence Grubbe, the young man who was accidentally shot in the ankle at his place north of the city Sunday, is getting along very well, and his physician hopes to save the foot.

An acre and a quarter of land in North Roseburg is covered by an option secured this week by the W. F. Boardman Company, of San Francisco, recently granted a gas franchise by the city council. The tract is wanted for a power plant site. The option was secured by J. D. Petch, the company's supervising engineer, from Joseph Heidenreich. It is located west of the Southern Pacific spur and is part of what was formerly the John Farquar place.

Farmers, mechanics, railroaders, laborers rely on Dr. Thomas' Eclectic Oil. Takes the sting out of cuts, burns or bruises at once. Pain cannot stay where it is used.

In an official communication to the Roseburg land office, the Department of the Interior announces the restoration to entry, as classified non-coal land, four entire townships, namely: Townships 31 and 32 south, range 12 west, and townships 31 and 32 south, range 13 west. The townships were withdrawn to permit of their examination by the Geological Survey as to coal deposits that might exist on them. No deposits of such character were found, hence the opening of the land to public entry.

The forthcoming wedding of Mr. Sam S. Josephson and Miss Adalie Sacry was preceded by a China shower to the bride-elect Thursday afternoon at the home of Miss Vell Barker, who acted as hostess to 35 ladies. Mrs. J. F. Barker, Mrs. John Calma White, and Miss Harriet Barker and Miss Margaret McClallen assisted in receiving and in serving lunch. The latter pleasantry was accompanied with a charming decorative arrangement. A figure of Cupid overhung the dining table, and from this festoons of red hearts extended downward through a canopy of smilax. When the cake was served the piece containing the dime fell to Miss Rose Josephson, the one with the thimble in it rested at Miss Grace Blakeley's place and the one secreting the ring went to Miss Ellen Harris. Miss Agnes Pitchford caught Miss Sacry's bouquet of bridal wreath. At the game of hearts, played during the afternoon, Mrs. S. A. Sanford made the best score and was awarded a pretty China plate as a prize. The reception parlors of the Barker home were adorned with ferns and bouquets of daffodils. Red tulips were an attractive part of the decorations in the dining room.

The Cartwright Concert Company, of Chicago, consisting of Forrest Cartwright, baritone and violinist; Mrs. Forrest Cartwright, impersonator and entertainer; Miss Blanche Porterfield, pianist and accompanist, and little Dorothy Cartwright, boy impersonator, will give an entertainment Friday evening, April 21, in the Baptist Church, under the auspices of the B. Y. P. U. This is one of the best concert companies on the road. To hear little Dorothy alone is worth the price of admission, which is 50 cents. Come and hear them. "Mr. Cartwright is a singer of ability, his voice was full, clear and strong. The high notes were taken with ease. Miss Porterfield, accompanist, was good. Mrs. Cartwright, in 'The Elopement' and 'Pigs is Pigs' displayed rare skill as interpreter. Little Miss Dorothy's delineations of child life were excellent. Mr. Cartwright is not only a singer but a master of the violin as well. His rendition of the 'Flower Song' was given round after round of applause."—Daily Capital Journal, Pierre, S. D., Oct. 24, 1910. d21

Saved His Mother's Life.

Washes Tub in Three Minutes

With Less Than Fifteen Gallons of Water

The Wonder Motor

Mrs. Townlady: The quickest water motor washing machine in Roseburg is the Wonder. It is a kin to the Wonder two minute hand washer.

Here is what the makers of the machine say of it:

"The Wonder Motor Machine washes a tubfull of clothes in three minutes, using 13½ gallons of water during this time. It is not quite as fast as the hand machine, but is, at that, the fastest water motor washer of its kind.

"The tub can be detached and water heated in it. The whole machine can be telescoped when not in use.

On this basis any Roseburg woman can do her washing in 20 minutes.

A tubfull of clothes means five or six large pieces. Therefore a washing, consisting of five tubfulls, could be washed in 20 minutes without any scrubbing or hard effort on the part of anybody.

If you are a doubter of the merit of this wonderful but simple machine, we will guarantee it to give satisfaction. If you try the Wonder for two washings and then are dissatisfied, you may return the washer to us.

and yet sleepless, Hiram Scranton, of Clay City, Ill., coughed and coughed.
