My Facial Youth

One reason why my beauty lasts

By Edna Wallace Hopper

Is no longer young. Some of you remember me as a stage star over 20 years ago. Yet you see me still playing youthful parts, and I look like a girl of 18.

My girls one-third my age envy my youthful bloom. Countless women admire my smooth, soft, rosy skin. Thousands have asked me to tell them methods I employ.

I am doing that now, as a duty to others. I have seen these methods make slaves of my friends the results brought to me. So I am sure that millions of women can, in years, multiply their beauty with their youth.

My famous cleanser

Is a liquid cleanser which does this for me. I call it my Facial Youth. Lucile Lantenme, the famous face beauty, gave me the formula years ago. Now the world's best experts in Beauty are advising its formula, but they price it too for most women.

Facial Youth contains no animal or vegetable fat. So it cannot grease or clog the face. It cannot make hair grow in any way with the skin. It does not penetrate to clean the skin to its depths. When I wipe it off, all the grime and dead skin come out with it. The skin is clean.

I apply Facial Youth twice daily, and whenever else the skin needs cleaning. And every use brings out new beauty and new bloom.

No cream does this

Perhaps you use a cleansing cream. So once did I. But you will be surprised at the extra grime my Facial Youth removes. I anoint my whole body with Facial Youth before I take a bath, and it keeps me doubly clean. You will marvel at the dirt which water fails to reach.

But Facial Youth does more than cleanse. It softens and whitens, smooths and firms. There is lemon in it. It combats lines and wrinkles. You will always clean your skin in this way when you once see what it does.

Edna Wallace Hopper's Facial Youth is supplied by all druggists, all dealers in toilet goods. Price, 75c per bottle. Also my Youth Cream—my fruity cold cream—which should always follow. Also my White Youth Clay. Also my Hair Youth, to which I owe my thick, lustrous, silky hair. My Beauty Book comes with each.

Try my Facial Youth and let it show you what a clean skin means. Then I believe you will also wish the other three helps I employ.

Doing His Duty

"For two years I suffered agonizing pains in my stomach, belching up sour and bitter bubbs and gas. Tongue always coated. Doctors were unable to help me. The first dose of Mayr's Wonderful Remedy made me feel 100 per cent better, and I am now feeling better than at any time in my life. I deem it my duty to advise other sufferers." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and clears the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded.
