Don't Neglect a Cold

Mothers, don't let colds get under way; at the first cough or sniffle rub Musterole on the throat and chest.

Musterole is a pure, white ointment, made with oil of mustard. It draws out congestion; relieves soreness, does all the work of the good old-fashioned mustard plaster in a gentler way, without the blister.

Keep a jar handy for all emergencies; it may prevent pneumonia in your home.

***To Mothers:* Musterole is now made in milder form for babies and small children. Ask for Children's Musterole.**

ALL OUT OF SORTS?

So Was This Roseburg Woman Who Tells Her Experience.

All too often women accept their pains and aches as natural to their sex. They fail to realize that weak kidneys are often to blame for that backache, those headaches, dizzy spells and that tired, depressed feeling. Thousands have found new health and strength by helping the weakened kidneys with Doan's Pills—a stimulant diuretic. This Roseburg case is one of many:

Mrs. I. D. Bishop, 318 Fullerton St., says: "My kidneys troubled me a lot and I felt tired and run down. I had a continual dull ache across my back and could hardly keep going. My kidneys acted irregularly, too. Doan's Pills helped me wonderfully. The backache and tired, worn out feeling left and my kidneys were regulated."
