YORK NEWS LETTER

YORK, Mar. 1—New York nks tea. Not casually, as that but regularly—English-ly—o'clock in the midst of a busy e short skirts and many oth-s, "It was the war." Back in old days so to speak, it was gle of coffee that refreshed ncial district—to say notning deeper sins. But, England's emissaries flocked into town n to Wall Street, and undid at. Negotiations extended for here must be refreshment to e tedium, and that refresh-as tea—brought boldly into s. In fact, the obvious rest-of the visitors around 4:30 oceed it on their hosts. Since e, the regular daily tea has a recognized institution in ell regulated office in the territory of the city.

ary of state Colby, probably though any really crucial for his office might wait now rch 4, so long as that date sing is so near anyhow. But ve hearts and no mercy, it em. So, right here in these s of his office, a test case hurled at him of the wo-wn-name-on-her-passport. It f Mrs. Heywood Broun, wife York writer, who says that of Ruth Hale, having been e childhood, remains hers, , as she wants to go abroad. insists that the passport she h, call her plain 'Ruth Hale' tate department has issued, me discussion, the passport me of Mrs. Heywood Broun, doughty Miss Hale, Mrs. s returned it. It is now up ary Colby himself.

language of the comic strip k City has uttered a mighty different.' An explanation st been made why Donald han, the doughty, handsome ld lord mayor of Cork, who our midst, wears that ter-tch chain. Everybody who and heard him here follow-rst little brush with the im-officials, agreed that he art young man, and a won-convincing speaker, and he graced his important office d country—BUT—why that big, B. & O. watch chain? nation clears the poor man s him 100 percent in criti-York's eyes. He has to wear d thing, because it is the of his official office. Mac-nd MacCurtain had to cart d before him, and before ong line of illustrious lord were afflicted with it. Now, an is starting out on a tour, addressing Chambers rce, Rotary Clubs and Civic ions all over the country in est of Ireland's claims for on as a republic by the tates. The British seem to defeated in their attempt him deported for coming en they told him to stay in s a stowaway.

ncient legend immortalized e Sue under the title of ndering Jew" will be pro-the stage next season by elasco and A. L. Erlinged. atic version has been one nsational successes in Lon-re Matheson Lang has ap-the title role since Septem-Belasco will direct the en-uction here and it is report-will establish a record for A large and distinguished romised, although no names announced for it as yet.

s standing on the subway chewing gum with an ear-which somehow gave the n that she really was con-on that activity rather ing it incidental to life. And look like a persistent gum ther. Then it was noticed was holding a French heel nd. In a minute, off came Sure enough, it was heel-gum was removed from her pread well over the place heel ought to go. the high el jammed into place, and there for a minute swing-foot, apparently to dry the fore going on her way.

up" and elaborate disguis-etectives have rather gone stom, if, in fact, they ever l place here. The average puts on his hat and goes detect just the same as he t. But there is one squad in k City that pretty nearly or melodrama or one better comes to facial preparation ork. It's the drug squad. In at headquarters used by rs of drug smugglers, there paraphenalia of the most young actor in the way o' grease paints and pow-men who have spent the rt of their lives in the open nhattan Island, walking a doing several miles a day service, are in no shape to pasty, white, emaciated, en drug addicts.
