Cut This Out and Take It With You.

A man often forgets the exact name of the article he wishes to purchase, and as a last resort takes something else instead. That is always disappointing and unsatisfactory. The safe way is to cut this out and take it with you so as to make sure of getting Chamberlain's Tablets. You will find nothing quite so satisfactory for constipation and indigestion.

CANDIDATE FOR COMMISSIONER

This is to notify the public that I am a prospective independent candidate for the office of County Commissioner of Columbia County, at the election to be held in November.

I was not prompted to take this step by the solicitation of a host of admiring friends, on the contrary the idea was entirely original with myself. Of course the question will arise, "Why did you not enter the primaries?" And I will answer truthfully, "I did not think of it in time to get my name on the ballot."

But I am giving notice of my intentions early in the game, so should it happen that I have any friends in Columbia County they will have plenty of time to tell others what a mighty good fellow I am, and those who do not take kindly to my butting in will have equally as long a time to hunt up the shady spots in my past life and warn the dear public of the great calamity that would befall them should they elect me to this important office.

Yours without any strings on
