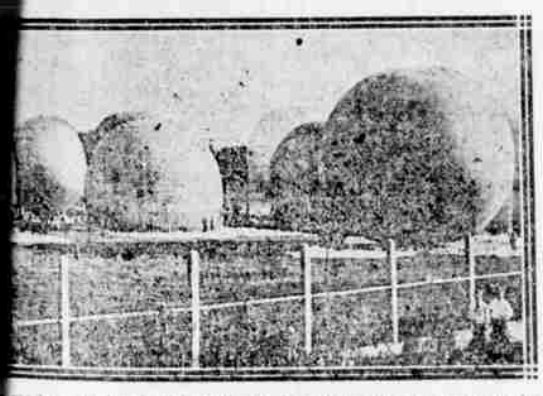
BALLOONS READY FOR AMERICAN TROPHY RACE



Gas bags, inflated and ready to leap into air tomorrow to be carried across country at the mercy of the winds. Winning pilots to be selected for U. S. in international balloon races.

PROVES GOOD WITH FOR DEALERS

Promises to be the biggest year for selling Dodge Brothers cars according to J. O. Newland & Son, dealers. Both used and new sold in greater numbers.

"Dur ing the eight years I have been selling Dodges, June always has been the best month," said Mr. Newland. "Every person buys his car to enjoy during the Fourth and the remaining hot days of July. It is the big demand during June that makes it necessary to have a large stock of cars in anticipation of numerous deliveries."

Newland & Son prepared for the demand by ordering a large number of machines early in the year. Because of this, they were able to deliver ten cars to customers on July 4. Five used Dodge Brothers cars and one used Ford were also sold in June. The total number of used cars sold by the local dealers in June, three cars in June is 16. Frank Bradford and Fred Langenberg and Douglas Chapman, A. W. Room of Glide received four touring cars that were sold by Good, local barber, and Stephens bought the two coupes that were sold. Two business sedans were sold by N. McElhiney, insurance, and L. W. Metzger, contractor. The "A" sedan was delivered to H. G. Wilson on July 2 and is reported as a June sale. Frank Busch, proprietor of the Roseburg Soda Works, purchased a new business car. Dodge Brothers cars were sold to W. R. Vinson, R. J. Conlisk, R. M. Knight, and Herman Derwin. C. Moss sold a Chevrolet.

Eczema—Skin Eruptions Disappear

Use Hokara for This and Other Skin Diseases Which Ruin Complexion.

A clean, fair complexion is the most noticeable of woman's charms—look to your skin for your pleasing healthy appearance. Thousands of people suffer the unbearable itching and thoughts of skin broken out and marred by eczema. Most folks are even sensitive and embarrassed at their own appearance.

The majority of people trust to time and nature to get rid of their pimples and blemishes just because they dislike to use a greasy, odor smelling ointment or salve. The treatment that does away with this unpleasantness is the Hokara treatment—modern effective and pleasant. Does not soil clothing or leave skin greasy.

The power of Hokara to relieve quickly any itching or burning of the skin and to make it soft, white and velvety is almost miraculous.

Minor skin troubles like pimples, blackheads, barber's itch etc. quickly respond to Hokara. Even the worst cases of eczema, ulcers, salt rheum and chronic skin diseases are successfully treated with Hokara. The marred complexion becomes noticeably less each day, leaving as it fades away a clear, healthy skin.

Sold on a guarantee and recommended. Nathan Fullerton, The Rexall Store, will supply you. Mail orders accepted.

BALLOON RACE AT INDIANAPOLIS

Gas Bags Being Filled Today for Flight Which Starts Tomorrow

SAY SCIENCE WILL WIN

Pilot Who Shows Greatest Skill in Handling Craft Will Be Chosen to Represent the United States

By HAROLD D. ROBINSON, (International News Service Staff Correspondent.)

INDIANAPOLIS, Ind., July 3.—Sand, gas and air currents are the trumps of the game.

Thirteen monster gas bags are the pawns.

The vast expanse of sky over North America is the playing board.

Twenty-six army, navy and civilian fliers are the players.

The honor of representing the United States in the international balloon race in Europe next fall is the chief prize.

The game starts at the Indianapolis motor speedway at 4 o'clock tomorrow, July 4, and ends—the Power that directs the upper air currents only knows where.

Preparations for the event, the National Elimination Balloon race, have been completed. Special trains to carry the inflating gas have been laid to the starting ground. Tests of air currents and atmospheric conditions have been made by weather bureau experts. An aerial circus is to occupy the interest of the spectators while the racing bags are filling.

Size Inflation Tonight

The inflation of the balloons will begin about 7 o'clock tonight, needs 24 hours being needed to pour the 80,000 cubic feet of gas into the huge bags. A steel gas with a lifting power of 40 pounds per 1,000 cubic feet will be used, giving the balloons a total lifting power of more than a ton and one-half.

At 4 o'clock tomorrow afternoon part of the sand bags that have been mooring one of the balloons to the earth will be removed, and the inflated sphere, with its pilot and aide will shoot skyward. The other bags will take off at five-minute intervals.

It is not luck that will win the national race, fliers declare, so much as skill with the sand, gas valves and air currents. At the start the pilots will shoot their balloons to predetermined levels, where they expect to find air currents that will carry them the greatest possible distance. If they find themselves in an unfavorable current they can throw off sand and ascend into a different current, or they can release gas and descend if the winds nearer the earth are thought more favorable. The three pilots who best husband their sand and gas and best pick their propelling winds will travel the greatest distance from Indianapolis and will win places on America's team in the international race.

Here Are the Pilots

Four naval pilots, three army pilots and six civilian fliers, among them the best known American balloonists, have entered the elimination race. The entrants and their aides are:

Rex P. Donaldson, Springfield, Ill.; aide, Paul A. Erlanz, Springfield, Ill.

Lieutenant James H. Jordan, Scott Field, Ill.; aide, Lieutenant Max P. Meyer, Akron, Ohio.

Captain Lester T. Miller, Scott Field, Ill., aide, Lieutenant Courtland M. Brown, Scott Field, Ill.

Lieutenant Robert S. Olmstead, Washington, D. C.; aide, Lieutenant John W. Sheptaw, Washington.

Ralph Upson, Aircraft Development corps, Detroit, Mich.; aide, C. C. Andrus, Dao West, S. C.

Warred Razor, Brookville, Ohio; aide, H. H. Razor, Brookville, Ohio.

Lieutenant J. B. Lawrence, U. S. N., Washington, D. C.; aide, Lieutenant F. W. Reichelderfer, U. S. N., Washington, D. C.

Lieutenant F. R. Culbert, U. S. N., Hampton Roads, Va.; aide, Lieutenant T. D. Quinn, U. S. N., Hampton Roads, Va.

Lieutenant L. J. Roth, U. S. N., Lakehurst, N. J.; aide, Lieutenant T. S. Nail, U. S. N., Lakehurst, New Jersey.

Lieutenant-Commander J. P. Neff, U. S. N., Lakehurst, New Jersey; aide, Lieutenant J. P. Anderson, U. S. N., Lakehurst, New Jersey.

Jack Boettner, Goodyear Tire and Rubber company, Akron, Ohio; aide Jack Volton, Akron, Ohio.

C. E. McCullough, Baltimore, Md.; aide, Carlton R. Bond, Aberdeen, Maryland.

H. E. Honeywell, St. Louis, Mo., aide not named.

GIVING OUT

Around all day with an aching back,
Can't rest at night;
Enough to make any man "give out."

Doan's Kidney Pills are helping thousands.

They are for kidney backache;
And other kidney ills. Ask your neighbor!

Here is Roseburg proof of their merit:

Mrs. M. A. Slaughter, 803 W. 1st Ave., says: "I know the value of Doan's Kidney Pills and am glad to recommend them. There is nothing better for kidney complaint. I had severe backaches and a soreness over my kidneys that made it hard for me to do any stooping or lifting and my kidneys didn't act right. Doan's Kidney Pills soon relieved these ailments and strengthened my back and kidneys."

Good Preliminaries.

SHELBY, Mont., July 3.—One of the finest cards that ever produced a championship battle will be offered the fans who flock here tomorrow to see Jack Dempsey and Tom Gibbons battle for the heavyweight title. Matchmaker Mike Collins, who arranged the bout, also had charge of the preliminaries, and has lined up what would be an all-star card if it were not for the two who meet in the battle climax.

Jimmy Delaney, old welterweight, who has been twenty-one years old, race light heavyweight champion, Gene Tunney, a foreign battler for ten rounds. Some of the critics gave Tunney a shade and others called it a draw. Jimmy is a pupil of Mike Gibbons.

He absorbed much of the phantom's cleverness. He has been training daily with Tom Gibbons. Delaney will meet Jack Burke of the Dempsey camp in a ten round bout. Burke has been one of the stars of Dempsey's training campaign. He is the one boxer who appears to make a showing against Jack in the boxing line.

Two colored heavies battle in another ten round encounter. George Godfrey, protege of Jack Johnson's and also a veteran of the Dempsey camp, meets Jack Thompson of Boston. Godfrey is the best of the colored heavies in the opinion of Johnson who worked with him daily for six months. Thompson recently beaten Johnson in Havana, taking the full distance. He has won most of his fights by knocks through the earth. He is described as a 220 pounder with a punch in either mitt.

Hot Cornon, who holds a decision over Harry Drake in an eight round preliminary Shelby spectacle, will battle Bellamy opening the show. Cornon is the heaviest man in the Dempsey camp. He is fast and shows for a big fighting, and the fine progress he has made has impressed his coaches. Drake, an Englishman, is the clever man of the Dempsey camp. He will endeavor to show this week just how dangerous a clever man can be.

The first preliminary is scheduled to start at 10 o'clock sharp. Promoter Cox, the two bands on separate sides of the ring will blare out jazz and entertained guests by selecting the crowd before the customary at the morning time which was the plan.

Mr. and Mrs. Homer Workmaster of Portland arrived in Roseburg today and will spend a few days visiting friends and relatives. Mr. Workmaster is employed in the mechanical department of the Portland Oregonian.

BIBLE SCHOOL WILL GIVE EXHIBITION

Vacation School Will Close on Thursday With an Exhibition of the Work Done—Term Has Been Very Successful.

The Daily Vacation Bible school that has been in session at the Baptist church the present weeks will close next Thursday night with an exhibition to the public of their work. The school this year has been very successful. There is always have been some that the attendance tend to be limited, and that some who did not worship there would not be interested. This is the second year of the Vacation School in Roseburg. It is the effort of the church to provide a pleasant and profitable direction of the energy of the children for a part of their vacation time.

The attendance average well in the school and the enrollment of good number the Bible stories, and the memory are a part of the educational program. The hand work is very attractive to the children.

The program on Thursday night will consist largely of a demonstration of what the children have learned and done. All the children who have been at the school even for a part of the time are urged to be present. The parents are also urged to be there to see what has been happening in their children. A good many people of the town and in the other churches are interested in this movement. They will find this demonstration most interesting and are cordially invited to attend. The hand work of the children will be on display. The public is cordially invited.
