Eisler Branded Member of OGPU By Own Sister

WASHINGTON, July 18.—(AP)—Gerhart Eisler, 50, German-born Communist, stared in stony silence today as he heard his own sister call him "a member of the OGPU—the Russian secret police—the greatest enemy of mankind."

Eisler, described by the FBI as the Kremlin's chief agent in this country, is on trial in Federal court on charges of passport fraud.

His sister, Ruth Fischer, who said her real name is Elfriede Eisler, told the jury that it was "a very painful experience to testify against one's own brother."

She had previously denounced her brother as "a dangerous terrorist" and testified that he came to the United States in 1933 "as an agent of the Communist International."

Another witness Charles H. White, Negro, of New York, told the jury he saw Eisler at the Lenin Institute in Moscow in 1931 acting as a discussion leader on the American Negro problem.

He said Eisler urged the establishment of a Negro republic in the cotton belt of the American South—" a black republic in a white ocean."

The witness said he served as a Communist party sub-organizer in New York, was sent to study at the Lenin Institute, and finally quit the party in 1936.

It Pays to Use Dry Lumber

Once more kiln dried lumber for all construction work is available at the Coen Lumber Company.

War time conditions during the past five years made it necessary to furnish green lumber to increase production—but now, due to an easier situation in the lumber business, we are pleased to be able to offer kiln dried lumber for general construction—both commons and clears.

Whatever you build use kiln dried lumber throughout and avoid shrinkage, checking, settling, fungus growth, and decay that so often results from the use of green lumber.
