CHECKS RETURNED

passed by a man who re- ted in Roseburg posing as picture director from Hol- have been returned to people hed them here. The man through with another party in Farlane car and posed as . He gave a story of hav- his wallet on the way into and cashed two checks, one on a local theatre man, and for $25 on a hotel. The came back from Los Angeles today being marked as no good. The officers have been notified.

SLIGHT ACCIDENT OCCURS

A slight accident occurred at the Union garage last night at about 8:30, when a studebaker six, driven by Oliver Moyer, collided with the gas pump in front of that garage. The car was in low gear and when the driver momentarily lost control of the machine it nosed into the pump and literally pushed it over. Only slight damage was done either the car or the pump.

This place would be excellent for platting in small tracts. Year, cash terms on balance. Address "W" care News-Review or phone 22 F 21.

CARAVAN GOES TO MARSHFIELD

Roseburg People Start Leaving for Coos Bay Shortly After Daylight

CARS CARRY BANNERS

All Machines Gaily Decorated With Signs Boosting the Celebration to Be Given in Roseburg in 1924

With Roseburg banners waving and with a million different varieties of noise-making instruments in hand a great number of Roseburg people left today for Coquille, to join the caravan which is to invade Marshfield this afternoon, for a celebration of the Fourth tomorrow.

Cars left all during the day for the coast city taking a large part of the population from Roseburg. The holiday spirit pervaded the atmosphere, and the cars literally painted the Fourth of July. Red, white and blue bunting, flags, banners and streamers floated from each car, and made the streets look as if a parade was in progress. The feature of the decoration was the Roseburg advertising for the 1924 celebration in this city. No car left without some Roseburg insignia and when the caravan wheels into Marshfield the populace at that place will think all of Roseburg has arrived.

The caravan will form this afternoon at 4 o'clock at the park in Coquille, and will proceed from there in one long procession. Before leaving the caravan has been promised refreshments at the hands of the Coquille Chamber of Commerce. Upon entering Marshfield, every conceivable noise-making device, from an auto horn to a tin whistle will be used to make the people aware of the fact that something is about to happen.

The Douglas County Concert band will lead the Umpqua valley delegation and will be followed by the caravan composed of every person who is in attendance at the celebration. People who have gone on ahead and have arrived at Marshfield will be asked to return to Coquille so that as big a showing as it possible can be made in the caravan.

What will happen in the way of a celebration on the Fourth has been heralded all over the state and a big-roaring time is sure to occur. In the morning Roseburg is planning a big rally. All day tomorrow the Douglas County Concert band will furnish music for the celebration and Roseburg stunts will take place throughout the day.

On the whole Roseburg people will acquaint the coast city dwellers of the wonders and attractions of Douglas county and will seemingly have an old-fashioned time on the holiday.

ARRANGE TRANSFER OF POWER PROPERTY

The transfer of the properties of the Douglas County Light and Water company to the California Oregon Power company, which recently bought the holdings here, is now in progress. It will take several days to arrange the legal matters, allowing one company to leave the field and another to take hold. A part of the delay hinges on the delay of the California Railroad commission in granting authority for the Copco concern, which is a California corporation, to take over the plant here. This, however, is expected any day, as it is a matter of form, and as soon as it arrives the new company will probably take immediate charge.

JUNE WEATHER NOT OUT OF ORDINARY

The warmest day in June came on the 14th, according to William Bell, weather observer, with a temperature of 97 while the lowest temperature was registered on the 2nd, 29. Although the average precipitation for the month is 1.87 inches, the season rain totaled .75 of an inch, and actual June was propitious for agriculture and horticulture. It is true that some hay was down during the month and consequently slightly damaged, still the losses to farmers were generally speaking inconsiderable. On the other hand orchards, gardens and grain were greatly benefitted by the gentle showers that fell. In years gone by some really wet Junes have been experienced, the most notable in this respect being in 1916, when 7.34 inches of rain fell, and June was rainy with us in 1917, with 2.40 inches of rain; 1918, with 2.17 inches; 1919, with 2.67 inches; 1922, with 2.42 inches; 1923, with 2.07 inches; 1915, with 1.47 inches. The driest June on record was in 1921, when only .14 of an inch of rain was recorded. In 1922 .41 of an inch was recorded.

Taking this and other years were June years that were entirely cloudy, 17 were partly cloudy and 13 were clear. The normal temperature of June over a period of 42 years is 62.5 degrees and this is only .3 less than registered for the last month. Total movement of the wind during the month was 2256 miles, or an hourly average of 3.3 miles per hour. The greatest move of the month came on the 11th, when the wind registered 14 miles per hour for a period of a few minutes, again demonstrating the fact that there is less wind in the Umpqua valley than at any other point in the United States.

BUCK AND BILLY SALE POSTPONED TO AUG. 4

Because of the Douglas county Farmers picnic, to be held on the 25th of this month, the annual buck and billy sale which was set for that date has been postponed until the 4th of August. The sale of bucks and billies is an annual affair and usually draws farmers from all over the county and necessarily the two events could not be held on the same day with any success.

The farmers' picnic is to be held at the forks of the river and is to take the form of an all-day outdoor basket picnic, and plans are being made for the entertainment of great numbers of farmers from every section.

Notice of sale of Government Timber, General Land Office, Washington, D. C., June 6, 1923. Notice is hereby given that subject to the conditions and limitations of the acts of June 9, 1916 (39 Stat., 218) February 26, 1919 (40 Stat., 1179), and June 5, 1920 (41 Stat., 1089), and Departmental regulations of September 15, 1917 (46 L. D., 447), and June 22, 1922 (49 L. D., 411), the timber on the following lands will be sold July 20, 1923, at 10 o'clock a.m. at public auction at the United States land office at Roseburg, Oregon, to the highest bidder at not less than the appraised value as shown by this notice, sale to be subject to the approval of the Secretary of the Interior. The purchase price, with an additional sum of one-fifth of 1 per cent thereof, being commissions allowed, must be deposited at time of sale, money to be returned if sale is not approved, otherwise patent will issue for the timber which must be removed within ten years. Bids will be received from citizens of the United States, associations of such citizens and corporations organized under the laws of the United States, or any State, Territory or District thereof only. Upon application of a qualified purchaser the timber on any legal subdivision will be offered separately before being included in any offer of a larger unit.
