La Grande Women Attend Convention

Four La Grande women returned to their homes from Medford, Ore., Monday where they attended the 16th annual state conference of the Oregon society of Daughters of the American Revolution.

They report a splendid time and interesting trip. Those going were: Mrs. H. G. Smith, regent of the La Grande chapter, Mrs. Ray Murphy, Dr. Margaret Ingle and Mrs. Lynne Bohnenkamp.

The La Grande delegation took part in the three - day program, Mrs. Smith giving the report from the La Grande chapter Friday and Dr. Ingle reporting on the Homemakers' division of the state organization on Thursday.

"The outstanding business done was the decision to build a log cabin at Champoeg," Mrs. Smith says. "The cabin will be a memorial to the pioneer women of Oregon and will be located in the place where the men met who decided that Oregon should become a part of the Union. It will be a replica of the log cabins of the 1800s."

Construction of the cabin will not begin for a year because it will take that length of time to season the logs properly. The D. A. R. chapters of the state will be busy during the year helping to raise money for the structure which will cost about $5,000. Each chapter will make and quilt as a benefit for the fund. The cabin will be furnished with old furniture of historical significance in Oregon and will be donated by people of the state.

MENUS

By Sister Mary

"One penny, two a penny, hot cross buns.
If you haven't any daughters, give 'em to your sons!"

Since our days when Mother Goose was our "book of the month" hot cross buns have interested us.

During the last few years our bakers have been featuring hot cross buns for Good Friday and Easter breakfasts, but there's no reason why we can't have them any time of the year or day of the week if we make them ourselves.

Since proper hot cross buns are made with yeast, there are, of course, two ways to do it, by the long process and by the short process. Either method is good. It's just a matter of personal convenience and preference.

Long Process

One and one-half cups milk, 1-3 cup sugar, 4 tablespoons butter, 1 teaspoon salt, ½ yeast cake, 4 tablespoons lukewarm water, 1 teaspoon cinnamon, 1 egg, ½ cup currants, flour.

Scald milk and add butter, salt and sugar. When lukewarm add yeast cake, crumbled and dissolved in lukewarm water. Add 2½ cups of flour and cinnamon. Beat well and add egg well beaten. Mix thoroughly and add currants and flour to knead, from ½ to 1 cup more. Knead until elastic and put in a large mixing bowl. Cover with a cloth and let rise in a moderately warm place over night. In the morning shape in small balls and with a sharp knife cut a deep cross on the top of each. Place in a buttered pan about an inch apart and let rise in a warm place for 30 minutes. Bake 25 minutes in a hot oven. Brush over with a sirup made by boiling ¼ cup sugar with 2 tablespoons water for one minute.

Short Process

One cup milk, 1 yeast cake, ¼ cup lukewarm water, 1-3 cup sugar, 3 cups flour, 1 teaspoon salt, 1 spoon cinnamon, ¼ cup butter, 1 egg, ½ cup carrots.

Scald milk and cool to lukewarm temperature. Add yeast cake dissolved in water. Add sugar, salt, cinnamon and egg well beaten. Add flour, currants and softened butter and work until thoroughly blended. Knead to a smooth dough and let rise in a warm place until double in bulk. The temperature for this rising should be between 70 and 80 degrees F. and it should take about one hour. Pinch off small pieces and shape as in the preceding recipe. Let rise until double in bulk and bake in a hot oven. Brush over with sirup when done.
