A. J. TUCK TO LEAVE ON THREE MONTHS VACATION

A. J. Tuck, resident of Roseburg for many years, is leaving Monday on a three months vacation trip to visit his family. He will go east via the southern route and will stop in San Francisco to visit relatives, prior to going to Los Angeles to visit his sister. There he will see for the first time his niece, who has just arrived from Wellington, Somerest, England. Her father was killed in France early in the war and her mother was killed last July in an automobile accident. She made the trip to America under the care of Cooks traveling bureau of London. At Salt Lake City, Mr. Tuck will visit his son, Dr. Ralph Tuck, geologist for the U. S. Mining, Smelting and Refining Company of Boston, Mass.

From Utah, Mr. Tuck will go to Westport, Conn., for a visit with his son-in-law and daughter, Mr. and Mrs. Robert Seitz, and family, and then go to LeRoy, N. Y. to visit his daughter, Mrs. Gladys Clark, and her daughter, Ann. He will visit his grandson, Jack Clark, at Nashua, New Hampshire.

Mr. Tuck reports he would have started earlier on the trip, but for the primaries. He has never failed to vote in 57 years. His first vote was for William McKinley, for whom he voted twice for Governor of Ohio and twice for president of the United States.

While in the east, he will attend the eighth national convention of the Townsend organization at Washington, D. C., and also the Republican convention at Philadelphia.

For many years, Mr. Tuck raised strawberries on his acreage in the Edenbower vicinity and was always the first grower to present strawberries every spring to the News-Review staff. Some years, he presented berries to the staff in early April.

Co-Op House For Girls At OSC is Aim

Home Extension women in Oregon have passed the $9,000 mark in a state-wide project for raising funds to build a cooperative house for girls on the Oregon State College campus in Corvallis. The board of trustees for the fund, with Mrs. Norman Lunde of Troutdale as chairman, met in Portland recently and outlined plans for completing this year's work for funds toward building the house.

Douglas County women have contributed to date $337 toward this projects raised by benefits from food sales, rummage sales, teas, community parties, etc. The project was endorsed recently by a prominent Portland business firm which contributed $2500 to the fund.

Adopted by the Oregon Home Economics Extension Council two years ago, the project when completed will be a means of making moderately priced housing available to 50 or 60 girls each year, thus helping to relieve the housing shortage and to provide attractive, satisfactory housing for women at the college. Girls to live in this cooperative dormitory will be selected by the respective county home extension committees on a basis of scholarship, leadership, and character, with preference given to 4-H girls. The house will be used also as a meeting place for the State Council at its annual summer meetings on the campus.

"Azalea House" has been chosen as the name of the house which will be a structure of beauty and comfort comparable to any sorority house. The proposed site of the building is on the lower east campus near the Madison Street gates. Coos County has offered plantings of the wild azalea, one of Oregon's most beautiful flowering shrubs, for the house grounds.

The board of trustees for the building fund is composed of five members appointed to serve for a period of five years. In addition to Mrs. Lunde, chairman, who represents the North Willamette district, members include Mrs. John C. Rawls, Grants Pass, Southern Oregon district and secretary; Mrs. Stanley Coates, Tillamook, Coast district and treasurer; Mrs. Kenneth McCormack, Florence, South Willamette district; Mrs. Loren Tucker, La Grande, Eastern Oregon district; Mrs. Mabel Mack, assistant state home demonstration leader, advisor; and Mrs. Edgar Leming, State Council president, ex-officio member.

Douglas County Azalea House Committee includes Mrs. John Bacon, Umpqua, chairman, and Mrs. Dorothea Boling, home demonstration agent, advisor.
