HOROSCOPES *by Stella Wilder*

YOUR BIRTHDAY by Stella Wilder

Born today, you are always determined to be never too far from where the action is. You can be rather negative in your outlook; keeping busy is your natural antidote to this tendency. The more you are doing, the better you feel about yourself and about the world at large. You don't always have to be doing things that are new or groundbreaking; you have to be doing that which engages you emotionally. You cannot abide doing things by rote; 100 percent commitment is what you are about.

TUESDAY, FEBRUARY 19

PISCES (Feb. 19-March 20) -- Progress must be measured in a way that is meaningful to you. Don't let yourself be swayed against your will by someone else's system.

ARIES (March 21-April 19) -- You are able to accomplish more than you had anticipated. As enthusiastic as you are as the day opens, you're only more so later on.

TAURUS (April 20-May 20) -- An unexpected visit challenges you in a way that you had not predicted. What happens next is sure to surprise those who consider you a rival.

GEMINI (May 21-June 20) -- Others are up to something that threatens to derail you, but very little that goes on today will be carried out in secret. You can keep up.

CANCER (June 21-July 22) -- You will want to do as much as you can while remaining under the radar today. You needn't attract attention while settling a certain score.

LEO (July 23-Aug. 22) -- A shift is likely to begin today that requires you to adjust your way of thinking about certain domestic issues. Family supports you fully.

VIRGO (Aug. 23-Sept. 22) -- You're going to have to make your move today as quickly, and as quietly, as possible. In this way you can keep chaos to a minimum.

LIBRA (Sept. 23-Oct. 22) -- You'll be intrigued by someone else's activities today, but you may not be in the position to imitate or emulate. That time will come.

SCORPIO (Oct. 23-Nov. 21) -- You must avoid an emotional response to the dilemma someone else finds himself in if you're going to help solve the problem.

SAGITTARIUS (Nov. 22-Dec. 21) -- Now is no time to blame others for that which is your doing entirely. You must be willing to own what you know is yours.

CAPRICORN (Dec. 22-Jan. 19) -- Your involvement in someone else's affairs is only likely to deepen today, despite your efforts to extricate yourself. Be ready.

AQUARIUS (Jan. 20-Feb. 18) -- External forces are sure to take their toll today. You must be ready to address an issue that arises because of a lack of preparedness.
