Fire Destroys Home Of Mother, Three Children

GRANTS PASS, Ore., Dec. 1.—A mother and three children were were left homeless when fire destroyed their uninsured home six miles from this city Monday afternoon. The entire family's possessions were lost.

The mother, Mrs. Sue Patterson, is employed in a local dry cleaning plant. The youngest daughter, Patsy, 15, was attempting to light a fire, presumably with kerosene. When the blaze flared up, Mrs. Patterson said, Patsy escaped by smashing a window pane. She suffered a cut arm.

Patsy and a married sister, Mrs. Don Robertson, were the only ones at home.

U. of O. Library Addition Ordered; Will Cost $735,000

PORTLAND, Dec. 1.—(AP)—The State Board of Higher Education yesterday accepted final plans for a $735,000 addition to the University of Oregon library. Advertising of bids for construction was authorized.

This addition, intended to increase book capacity by 100,000 volumes and seating capacity by 500, is the final project to be financed under the funds provided in the state building appropriation of 1945.

The board also rescued the Van port extension center from financial difficulties occasioned by extra expense in moving and a drop in student fee income.

Heretofore the center had operated entirely on fee income and had built up a surplus of $103,845, Finance Chairman Henry Cabell, Portland, reported to the board. This year estimated expenditures have jumped to $350,530 with income estimated at $196,495.

The board authorized use of the past surplus and an additional $50,190 to keep the center in operation this year.

O. S. C. Airport Approved

A headquarters at Oregon State College for a proposed National Guard aircraft and air control squadron was approved. The board agreed to lease the government a 500-foot-square tract in one of the farm pastures for 25 years at $1 per year.

Brig. Gen. Raymond F. Olson, Oregon adjutant general, told the board that the government will spend approximately $100,000 developing the site for use of the squadron. The latter, he said, will doubtless attract many students of the college to its personnel of 115 officers and enlisted men, and will be a valuable adjunct to the Army ROTC unit on the campus.

More for Summer Sessions

Summer session budgets totaling $363,311 for 1949 were approved. It is an increase of $67,437 over a year ago. Last year the fee income more than met the budget, making unnecessary use of a contingency reserve provided by the board, Chancellor Paul Packer reported. A similar "guarantee fund" was provided again this year. Detailed institutional budgets are to be prepared later.

Other action included the following:

Appointment of Dr. Henry Gunn, director of elementary teacher training, as liaison officer between the state system and city school systems to work on solution of critical elementary teacher shortage.

Provided funds for completion of combined physical plant warehouse and shops building at University of Oregon, already under construction.

Approved purchase of Falcon Restaurant property by University of Oregon to clear site immediately adjacent to new ERB Memorial building.

Received resolution from Oregon Association of Real Estate Boards urging more courses in real estate and related fields at the university and state college.

Counterfeiters Active In Western Europe

COPENHAGEN, Dec. 1—(AP)—The Danish police said today that they were seeking an international gang which has printed and circulated hundreds of thousands of counterfeit U. S. $50 notes in Europe.

Dorn Jensen, heading the Danish investigations, said the search, with the aid of the FBI, began when $1,650 given in payment for a New American car here was found to be counterfeited with "extraordinary skill." The investigation, Jensen said, had spread to Belgium, Sweden, Norway and England.

Soap manufacturers estimate that when women wash dishes or clothing she usually uses a solution of one drop of soap to about 100 drops of water.
