The Winter Breakfast

which includes Grape-Nuts with cream or good milk, will have one dish that has both engaging flavor and true nourishment—the strength-giving, life-sustaining factors which exist in wheat and barley—stored in the grain by Summer's sunshine for Winter's comfort.

And remember, Grape-Nuts is more than "something good to eat." It is a building food in most digestible form; rich in proteins, carbohydrates, mineral elements and vitamin B—all vitally essential to the daily rebuilding of every part of the body.

It pays to keep oneself in the highest physical condition, for with the strength and vigor that go with health you can "do things" and be happy.

REEDSPORT GIRL IS BEING SOUGHT

SALEM, Dec. 5.—The arrest of Minnie Hausman, 18, an inmate of the state school for feeble minded, and two unnamed men believed to have been responsible for her disappearance from the institution yesterday will be asked by Dr. J. N. Smith, superintendent of the school, he announced this morning. Yesterday, when the Hausman girl failed to make an appearance it was discovered that a dummy had been placed in her bed and that she had escaped.

The two men, Dr. Smith said, appeared at the school for the first time Saturday and represented themselves to be relatives of the girl. They were permitted to talk to her that morning, and they returned to see her Saturday night.

Miss Hausman, however, retired to her room as usual and authorities suspected nothing. Yesterday they became suspicious and found she had disappeared. They are of the opinion she sneaked out of her room after the others had gone to bed and met the two men. Miss Hausman's room was on the first floor.

The girl had been under the care of the Boys' and Girls' Aid society after it had been alleged that she had had improper relations with a certain man.

She was brought to the school here in 1920 from Reedsport, Douglas county.

LOCAL BOY SCOUT RECEIVES MEDAL

Calvin Webber, a local Boy Scout, today received the Eagle Merit badge, which was awarded to him several weeks ago when he completed his examinations and received the highest degree which can be procured through the scout's organization. The Eagle degree is the highest rank and few boys ever reach that place. In fact, Calvin is the first boy in Douglas county, and it is believed the first in southern Oregon to receive this honor. He has worked hard for many years to reach this point and is deserving of much credit for his perseverance. The badge is a very beautiful emblem, bearing a silver eagle on a colored ribbon, with emblems as beautiful on the clasp. An official presentation will be made at some future date.

Estes was indicted jointly with F. L. Hogg and Glen D. Hurt in connection with oil stock operations revolving about Sun and in Crater Lake, Wyo.

Harry Estes is a former resident of Roseburg and is well known here.

NOVEMBER WAS WARM, DRY MONTH

November was a much warmer, drier month than usual, according to the monthly meteorological report prepared by Weather Observer Wm. Bell. Throughout the month the average temperature was 49 degrees which was above the average. As the temperature was quite even throughout the month, the daily average was 3.3 degrees above normal. Precipitation for the month, however, took a big drop. The normal is 4.37 inches, while the amount recorded was only 1.35 inches. Up to November the season was ahead in rainfall, but the dry month has resulted in a deficiency of .24 inches.

The wind movement for the month was within Roseburg's low velocity record, the average hourly velocity being 1.5 miles. The highest velocity reached was 11 miles an hour. There were only four days in the month in which the sun did not shine at least for a few minutes.

PIONEER WOMAN OF COW CREEK DEAD

Rebecca Melvina Elliff was born October 28, 1834, in Lawrence county, Ohio. She was the daughter of Henry and Margaret Baker. She died at the home of her daughter, Mrs. Florence Dewey, near Glendale, Oregon, December 2, 1923, at the age of 89 years, 1 month and four days. In the spring of 1853 she came to southern Oregon. Here she met Hardy Elliff to whom she was married November 15, of that year. From the date of her marriage, seventy years ago last month until her death Mrs. Elliff made her home in the Cow Creek vicinity. Mr. Elliff passed away November 2, 1894.
