HOROSCOPES *by Stella Wilder*

SATURDAY, AUGUST 21, 2021
YOUR BIRTHDAY by Stella Wilder

Born today, you are rather easy to sum up in a few words: You want to be the best. Period. You will always do what you can to position yourself at the front of the line in order to benefit from whatever is available to you at any given time, and you will always work very hard to develop one or two key talents to the fullest in order to be not just competitive, but competitive in the upper echelons of whatever it is that you choose to do.

SUNDAY, AUGUST 22

LEO (July 23-Aug. 22) -- You can give others what they appear to need, but does that really get to the heart of the matter? You should be trying a different tactic.

VIRGO (Aug. 23-Sept. 22) -- You must pay attention to the rapid fluctuations of your budget at this time. Even the slightest variation can have a major impact.

LIBRA (Sept. 23-Oct. 22) -- You may not have expected to spend quite so much within a certain time frame, but today you're going to have to deal with the fallout.

SCORPIO (Oct. 23-nov. 21) -- Whether or not something was intended, its effects are going to be widely felt. You may want to hand the reins to someone else today.

SAGITTARIUS (Nov. 22-Dec. 21) -- Enjoyment is a product of inspiration and perspiration today. The harder you work at a given task, the more it will satisfy you.

CAPRICORN (Dec. 22-Jan. 19) -- You are in no mood to explain yourself today, but you may want to take the time to prove that your point of view is, for now, quite valid.

AQUARIUS (Jan. 20-Feb. 18) -- You can do things in a way that takes many by surprise -- and you should enjoy it, for such unorthodox methods don't always pay off like this.

PISCES (Feb. 19-March 20) -- You're going to have more questions by day's end than you do at the start, but that's because you know much more about something than you did.

ARIES (March 21-April 19) -- Assume nothing about a friend today, or you're likely to cause a rift that will be quite difficult to heal. Take things at face value.

TAURUS (April 20-May 20) -- By revealing what you know today, you're bolstering your own reputation -- but take care that you're not also setting yourself up for failure.

GEMINI (May 21-June 20) -- You don't have to sugarcoat the news today; tell it like it is. Others will respond best to you when they know you're not pulling any punches.

CANCER (June 21-July 22) -- You can get many things done in a hurry today, but take care that you don't let things get out of hand. A couple of slowdowns are useful.
