ANE, Oct. 30.—
of the 3,000
Old Time Telegra-
them veterans of
ches of more than
century ago, were
ss their 42nd

annual reunion convened here.

Some of the former telegraphers now heads of large railroad systems or of big industrial enterprises, traveled in their private cars. There were others present who had clung to their chosen profession, among whom were a few who were able to count up more than 50 years continuous service at the key.

One of the unique features of the convention will be the reproduction on a phonograph of a telegram recently sent by Harvey Reynolds in Buffalo and copied in New Orleans by Colonel Robert Ewing, publisher of the New Orleans States. The disc which recorded the dots and dashes was furnished by Thomas A. Edison and will be reproduced at the concluding session.

RHEUMATISM

Leaves You Forever

Deep Seated Uric Acid Deposits Are Dissolved and the Rheumatic Poison Starts to Leave the System Within Twenty-four Hours.

Every druggist in this county is authorized to say to every rheumatic sufferer that if a full pint bottle of Allenrhu, the sure conqueror of rheumatism, does not show the way to stop acute, chronic, swollen joints and do away with even the slightest twinge of rheumatic pain, he will gladly return your money without quibbling.

Allenrhu has been tried and tested for years, and really marvelous results have been accomplished in the most severe cases where the suffering and agony was intense and piteous and where the patient was helpless.

Mr. James H. Allen, of 36 Forbes St., Rochester, N. Y., the discoverer of Allenrhu, who for many years suffered the torments of acute rheumatism desires all sufferers to know that he does not want a cent of anyone's money unless Allenrhu positively conquers this worst of all diseases, and he has instructed druggists to guarantee it as above in every instance.

Nathan Fullerton is my appointed agent in your city. If you live out of town I'll gladly send you free particulars.

NAMES SUBMITTED FOR SECRETARY JOB

(Associated Press Leased Wire.)

WASHINGTON, Oct. 30.—President Coolidge will seek the views of farm leaders during the next few days before determining upon the selection of a successor to the late Secretary Wallace. Few political engagements are on the president's list between now and election day and he has indicated to friends he will take practically no further active part in the campaign, feeling satisfied with the progress made.

Several names already have been submitted to the president for the cabinet vacancy, including Frank O. Lowden, former governor of Illinois; John Lee Coulter, president of North Dakota, agricultural college; Chas. March of Litchfield, Minnesota, and Samuel Adams, former president of the Agricultural Editors Association.

ALLEGED AUTOMOBILE THIEF IS ARRESTED

Ray Burns, of Auburn, Mass., was arrested yesterday, charged with the theft of a Ford roadster from Alva Maupin of Oakland. The theft of the car was discovered within a few minutes after the crime was committed, and word was telegraphed ahead, with the result that Burns was arrested when he drove the car into Cottage Grove. He was brought back to the city and taken before the Grand Jury. He is reported to have informed officers that he will plead guilty.

SEN. GLASS SAYS LA FOLLETTE LOST

(Associated Press Leased Wire.)

CAMDEN, N. J., Oct. 30.—Senator Carter Glass of Virginia, addressing a democratic rally here last night declared that "the so-called issue of constitutional security," was merely "a red herring drawn over the trail to divert attention from the shameful maladministration at Washington."

Saying that he had no agreement with anything Senator La Follette advocates but honest government and there was "no human probability" of Mr. La Follette's election, Senator Glass continued:

"Both the president and secretary of state know perfectly well that there is no imminent peril to constitutional government or to personal liberty or to property rights in this ineffective third party gesture."

SAYS: IT ENDS
NEURALGIA

"No matter where located—to get quick relief from the agony rub on penetrating Joint-Ease," says a New England chemist.

Of course, Joint-Ease is the one great external remedy for inflamed, swollen, stiff joints in ankle, knee, hip, shoulder, fingers or spine, and for that purpose its sale is tremendous.

But its power to give almost instant relief in neuralgia neuritis and lumbago is becoming better known every day—Soaks right in with a minute's rubbing and it is very penetrating—A tube for 60 cents at all druggists or any real druggist anywhere.

DAVIS WINS WITH A FLOWER EXHIBIT

(Associated Press Leased Wire.)

GLEN COVE, N. Y., Oct. 30.—Two chrysanthemum exhibits, entered by John W. Davis, democratic candidate for president, took prizes at the annual chrysanthemum show held by the Nassau county horticultural society.

One of the Davis exhibits took first prize while another was awarded a fourth.

HUSBAND SAID WHY NOT TRY IT

Wife Said She Would. Result, Lydia E. Pinkham's Vegetable Compound Made Her Well and Strong

East Hardwick, Vermont.—"Last winter I was not able to do any work at all. I had backache, headache, sideache, and was sick all the time for six months. We read about Lydia E. Pinkham's Vegetable Compound in the newspapers, and my husband said to me, 'Why don't you try it?' So I said I would and he went and got me a dozen bottles. It has done me more good than I can ever tell, and my friends say, 'What have you done to yourself? You look so well.' I tell them it is the Vegetable Compound that makes me so well and strong. There is no use to suffer with backache and pains. I will tell every one what it has done for me."—Mrs. Farn Primo, Route No. 2, E. Hardwick, Vermont.

Housewives make a great mistake in allowing themselves to become so ill that it is well-nigh impossible for them to attend to their household duties. 98 out of every 100 report they were benefited by its use. For sale by druggists everywhere.
