AMERICAN WOMEN DIVORCED IN PARIS

PARIS, Dec. 6.—Divorces on grounds of desertion have been granted in French courts in favor of two American women, according to an announcement today.

Julia Evelyn Poett won a divorce from William Wharton of San Francisco and London whom she married in Paris in 1922, and Frances Bolger from John August Hartford, whom she married at Danbury, Conn., in 1923.

Demands for divorce on the same grounds have been filed by Sophie D'Antignac Meldrim, wife of Edward Harris Coy, of New York, and Eula M. Jackson, wife of Edward H. Alsop, of Washington. The Coys were married at Asheville, N. C., in 1913 and the Alsops at Atlanta, Ga., the same year.

Having purchased the Terminal Cafe, will not be responsible for any bills due prior to Nov. 23, 1924. O. H. Shaw.

RADIO IS HEARD ON PHONE WIRES

(Associated Press Leased Wire.)

NEW YORK, Dec. 6.—Several subscribers have reported to the New York Telephone Company that they have heard over their telephones radio programs broadcast from station WEAF, which is operated by the American Telephone and Telegraph Company.

When putting in telephone calls the subscribers have heard the programs in a clear, low undertone, similar to the cross-talk caused by induction in telephone cables.

ARMENIAN ORPHAN SALUTES OLD GLORY

America is making great conquests in the Near East today. But her triumphal armies are not equipped with guns and bayonets or poison gas. They go to the stricken and war torn lands of the Near East bringing food and clothing and books and medicine to the or-

phans of the World War. And wherever they go— the workers of America's great philanthropic organization, Near East Relief—they are winning the hearts and minds of imaginations of the people who have been objects of exploitation and race hatred for centuries and who find in America the first friend who points the way to peace.

American relief workers and business men all agree in their testimony that America is the one nation trusted by Turk and Armenian and Greek in the Near East; that American ideals are conquering the people of these lands and leading the way to a new and very different supremacy from that enjoyed by any other country in the history of the world.

"American teachers and educational methods are in great demand in Greece and Armenia," says Mr. Charles V. Vickrey, general secretary of the Near East Relief. "In the orphanages of the American organization are being trained the teachers who are to mold the future of these countries. These young man and women are going out to spread the gospel of American charity and fairness among the coming generation of the Near East."

It is most fitting that Near East Relief, as a means of raising money for this charity which needs a budget of $5,000,000 to carry on its life-saving and educational work, has named December 7 as Golden Rule Sunday when every family is asked to eat an orphanage dinner such as the orphan children eat, and to make a gift for their support measured by the Golden Rule. It is the Golden Rule that is putting the American flag in places of honor throughout the Near East.

LOAD OF BUSINESS GREETS COOLIDGE

(Associated Press Leased Wire.)

WASHINGTON, Dec. 6.—Back from his visit to Chicago, President Coolidge had before him today a long list of appointments and an accumulation of official business.

The Chicago trip, made primarily to speak at the International Livestock Exposition, was the only one the president had arranged prior to the first of the year, and so far no invitations involving absence from Washington for several months have been accepted.

Mr. Coolidge has told friends he intends to remain close on the job inasmuch as a number of legislative problems will constantly be coming up.

DECISION IN BOUT CAUSES UPROAR

(Associated Press Leased Wire.)

BOSTON, Dec. 6.—Quintin Romero, Chilean heavyweight, was given the decision over Jack Renault, of Canada, at the end of a ten round bout here last night. The decision made by the referee when the two judges disagreed, was criticised by sport writers of the morning Boston papers.

Romero showed strength in standing up under the punishment administered by Renault's body blows, the critics wrote. Renault won eight rounds, according to the judgment of one sport writer, while another gave him nine rounds.

Renault's weight was announced as 198 and Romero's as 196.

GIBBONS FAVORITE IN THURSDAY'S FIGHT

(Associated Press Leased Wire.)

NEW YORK, Dec. 6.—Tom Gibbons, St. Paul light-heavyweight, is favorite in his 15 round light-heavyweight crash clash with Kid Norfolk to be staged next Thursday night as the feature o fthe annual Christmas fund bouts.

Victory means another meeting with Dempsey, but of necessity the financial return will be lower than is ordinary in world championship contests, for Tex Rickard, reckons the match as the closing of the Shelby drama. Dempsey, it is reported, must be content with $100,000 if he engages in another bout with the Minnesotan, who was still on his feet at the final bell in that unforgettable contest at Shelby.
