# URGE PRUNES AS HOLIDAS GIFST

Umpqua Valley prunes are being advocated as Christmas gifts for friends in eastern states. Prunes are being packed in holiday boxes prepared for shipment, and form attractive and pleasing gifts. Such fruit is always acceptable, and the presentation of the holiday packages, not only brings pleasure to those receiving the gift, but aids the prune industry, not only so much in the disposal of the prunes, but the advertising which results. The rates by express for shipment are 68 cents for 12 pound boxes, $1.58 for 28 pound boxes, and $5.64 on 100 pound boxes to all states east of the Mississippi and Oklahoma, Texas and Arizona. The rates to Illinois, Iowa, Missouri, and North and South Dakota, are 60 cents, $1.40 and $4.96 on the three sizes, and to Nebraska, Kansas, and Utah the costs are 52 cents, $1.20 and $4.28.

# NIP REVOLUTION PLOT BY ARRESTS

(Associated Press Leased Wire.)

MEXICO CIY, Dec. 8.—Thirteen prominent citizens of San Luis Potosi, all of whom held high positions in the administration of Jorge Prieto Laurenz, have been arrested on the charge of conspiring to overthrow the government, according to press dispatches.

Laurenz, former governor of the state of San Luis Potosi, and active supporters of De La Huerta in his last revolutionary movement is in the Unnited States.

The men arrested are alleged to have held periodical meetings in various places, and it is reported that the conspiracy extended to Aguascallentes and Zactas. Other arrests are pending.

# FIND SKELETON OF SLAIN WOMAN

(Associated Press Leased Wire.)

NEW ORLEANS, Dec. 8.—The finding of a woman's skeleton, clothing and other articles half buried by fallen leaves and weeds in a thicket a hundred yards off the New Orleans-Chef Menteur Road, 15 miles north of the city, partially unravelled late yesterday a mystery which has puzzled the police for four months.

Whether the woman was murdered or committed suicide the police and coroner O'Hara had not determined. A bullet-pierced handle of a man's umbrella was found near the skeleton.

When the discovery became generally known, Julian Delhom went to the scene and identified the clothing, a comb, a shoe and a wisp of hair tangled in a gold barette as that of his wife, who disappeared from their home August 8.

# SANTA'S HELPERS MAKE MANY TOYS

(Associated Press Leased Wire.)

WASHINGTON, Dec. 8.—Ten thousand first assistants to Santa Claus have knocked off work for the year, after cutting more than thirty million board feet of lumber into the curious shapes demanded by the rulers of toyland. There are nearly 400 estabilshments in the United States taking orders from Santa Claus.

One manufacturer of toys in New York state uses two million feet of lumber every year and the total value of the products of the industry in all parts of the United States reaches $35,000,000.

That takes a tremendous number of trees the American tree association points out in a bulletin in calling attention to argument for reforestation.

These commercial Santa Clauses, the toy makers, ply their trade largely in the east; New England, New York, Pennsylvania and Michigan are the states in which the bulk of the industry is located. As forest resources have been gradually used up in the east, however, the manufacturers have had to depend upon timber brought from the west and south.

# COMMUNISTS IN FRANCE HOLDING CENTER OF STAGE

(Associated Press Leased Wire.)

PARIS, Dec. 8.—The communists continue to hold the center of the stage in France, appearing undismayed by the government's repressive measures.

After a meeting at the headquarters of the labor federation last night a group of radicals formed a procession and marched two miles to the eastern railroad terminus singing "The International."

They were scattered by the police.

Another band attended the inauguration of a local soldiers' memorial at Stains, a northern suburb of Paris and drowned the speaker's attempts with cheers for Lenine and the singing of "The International."

They were dispersed by police reserves.

Such activities are noted by the press, particularly the nationalist organs, which declare Premier Herriot's measures of repression are a farce and are dangerous because they create security and encourage the communists by their weakness.

Extracts from L'Humanite and other communists sheets as well as from speeches delivered at communist meetings to show that the revolutionary menace is a reality, are printed.

# KU KLUX PAPER IS DESTROYED BY BOMB

(Associated Press Leased Wire.)

COFFEYVILLE, Kan., Dec. 8.—An explosion here early today wrecked the plant of the Coffeyville Daily Dawn, a morning newspaper, and two adjoining buildings. The damage is estimated at $75,000. No one was injured. The newspaper office was deserted as no paper is issued on Monday morning. Police are investigating two theories, one that the explosion was the result of an accumulation of gas and the other that the newspaper office was bombed by persons who were antagonistic to the policy of the newspaper, which has supported the Ku Klux Klan.
