REEDSPORT MAN REPORTS PROGRESS AT WINCHESTER BAY

J. C. Diehl of Reedsport, arrived in Roseburg this morning to spend a short time attending to business matters. Mr. Diehl states that the mills at Reedsport are running on double shift, affording employment for more men, and that numerous improvements and extensions are being made to the mill plant. At Winchester Bay there has been a great deal of activity in real estate, many lots having been sold during the last three months. Reedsport people have built a store building at Winchester and are now building a residence there. Commencing on the 15th of this month work will be started on the road between Reedsport and Winchester Bay, which will give the residents of Winchester Bay a good road into Reedsport by the end of the summer. The road down the river from Drain to Reedsport will be open by the first of July, Mr. Diehl believes.
