QUARTER MILLION STOCK RANCH IS PURCHASED

One of the largest deals that ever took place in this county was consummated yesterday, when the Hertford Land & Cattle company, known locally as the 70 company, purchased the entire holdings in this and Modoc county, California, of the Cox & Clark Cattle company, well known here as the XL company. F. M. Green superintendent of the company, is in Sacramento, where the deal was finally closed and a telegraph message was received here stating that the deal was closed. The purchase price amounted to the enormous sum of $250,000, for which the purchasers receive in the neighborhood of 6000 or 7000 head of cattle, 300 to 400 head of horses and about 20,000 acres of land in Lake county, Oregon, and Modoc county, California. Everything formerly owned by the XL firm is now the property of the 70 firm, which makes the latter far the largest livestock company in the state of Oregon.—Lakeview Examiner.

Thos. J. Williams, living on Oakdale street, Medford, Or., says: "I suffered for a long time from kidney and bladder trouble. The pains through my back were so severe that I could hardly endure them, my kidneys were disordered and I had to arise many times during the night; suffered from headaches and felt tired over. I did not get any relief and became discouraged. Doan's Kidney Pills finally came to my attention and I procured a box at Haskins' drug store. They soon banished every trace of the trouble and I have not had any symptoms of kidney disease since. I cannot speak too highly in praise of Doan's Kidney Pills."
