1890. SPRING ANNOUNCEMENT! 1890.

M. SICHEL & CO.,

The Leading General Merchandise Dealers in Crook County, Oregon.

DID NOT COME TO BLOW.

FELLOW CITIZENS:

I come not to blow, but to say something. Rude am I in speech and little versed in the taffy talk of drillers, but when the wind blows northerly I know a hawk from a hand saw. My name is

M. Sichel & Co.,

And in making my Spring Announcement, I tell you that the value of an advertisement depends upon

The man who does the Advertising.

1st. Can he do as he agrees? Has he the goods or the purchasing power in the markets to make such bargains?

2d. Will he perform his promises? Is his advertisement to be relied upon? Will he keep his word to the letter, and give the genuine bargains he offers?

These questions can only be answered in

The Light of Our Past Record.

The old established firm of M. SICHEL & CO., in announcing their SPRING OPENING for 1890, point to their well-known record as LARGE BUYERS, LIBERAL SELLERS and BARGAIN GIVERS.

In proof of this fact, when we promise UNPRECEDENTED BARGAINS every word of the promise will be fulfilled.

Our customers will find that, in regard to quantity and quality, our stock has no superior and few rivals.

Some rather unusual opportunities have been offered watchful buyers to secure bargains in some of the desirable standard lines.

These we have taken advantage of, and our customers will find that our prices are

Remarkably Low,

relative to the value of goods.

Our facilities for accommodating customers with credit are superior to any other firm doing business in Prineville.

We aim to satisfy all classes of buyers, therefore our stock includes a variety of goods which have correspondingly various prices.

We desire to be known for CHEAPNESS, but we handle no cheap goods; that is to say, we give even in low-priced goods the *very best article the market affords for the money.* No article is really cheap that does not return the buyer the full value of the money expended in its purchase.

Our steady aim is to satisfy buyers not only by allowing bargains, but by the satisfaction that comes from goods that wear and stand the test of actual use.

In every department our stock will be found to be complete; nothing having been neglected in our effort to make it the most complete assortment of goods offered to the trading public of this locality.

In making our selections we have realized that on the quality of the goods sold depends the building up of that confidence between buyer and seller so essential to commercial success and permanency.

Parties who contemplate buying their supplies in The Dalles or Portland will

SAVE MONEY AND TIME

by getting our CASH PRICES before ordering goods from below. They will find as complete a stock to select from as may be found in those places, for we carry everything in the general merchandise line.

We commend to our customers our own method, that of early selections, as it follows in all cases that the patterns which are most fancied are soonest exhausted.

In making our Spring Announcement, we have no hesitancy in stating that our stock is the most complete in Crook County, and assure you that it is to YOUR INTEREST to trade where you can get the BEST GOODS for the LEAST MONEY, which can only be done by trading with us. By reading the following columns you will be convinced that

We Have No Rivals.
