NIGHT FOOTBALL TABOO IN LINCOLN, NEBRASKA

(Associated Press Leased Wire)

LINCOLN, Neb., Nov. 8.—Night football, gaining in popularity throughout the country, is "out" as far as Lincoln's high schools are concerned.

The board of education has declared a ban on after-dark games, following a report from Superintendent M. G. Lefler, which said:

"There probably is a question as to whether the assembly of large numbers of adolescent children under cover of night, is conducive to the moral control which a body like the board of education is willing to assume."

VETS' PROGRAM ASSURES LIVELY ARMISTICE DAY

(Continued from page 1)

events being of a very unusual and amusing character.

The parade, which is expected to be the biggest ever held in the city on Armistice day, will start at 10:15 a. m. Service clubs, business houses, American Legion, Auxiliary, G. A. R. and Spanish war veterans, Red Cross, Boy Scouts, National Guard, schools, Officers' Reserve members and various other civic, patriotic and fraternal organizations are to be represented.

There will be two bands. The Roseburg Municipal band, under the direction of Dale Hyrance, and the Sutherlin band, led by T. H. Gibson, will participate and will play concerts during the entire day. The drum corps has been reorganized by Umpqua post and rehearsals are being held every night in preparation for the parade and exhibitions on Monday.

Justice Coshow Speaker

The parade will be followed at 11 o'clock by a patriotic program at the Artlers theatre. O. P. Coshow, chief justice of the Oregon state supreme court, a former resident of Roseburg, will be the speaker. The Roseburg Municipal band will play a local opening concert and Dale Carleton Strang will sing a patriotic solo with band accompaniment.

Immediately after the program there will be the feed for veterans and this will be followed at 2:30 p. m. by the football game at Finley field between the Roseburg and Grants Pass high school teams as annual Armistice day event.

Evening Events

In the evening, at 7:30 o'clock, the Roseburg national guard company will stage a machine gun exhibition at the foot of Mosher street, shooting at targets on Mount Nebo. Travel ammunition will be used, which in the darkness will make a very spectacular exhibition.

The big dance at the armory, starting at 8:30 o'clock, will be the concluding event.

Band concerts on the streets and at the athletic field will fill in all spaces on the program, while numerous stunts are being arranged by the various organizations interested.

The American Legion Auxiliary is giving excellent cooperation in the arrangements. The members will march in the parade and will stage several good stunts, the nature of which they are keeping secret, and are also handling the ticket sale for the football game in the afternoon.

BOYS TO BE SEEN IN FUNNY STUNTS ON ARMISTICE DAY

H. H. Turner, coach of athletics at the senior high school, and a member of the American Legion, will have charge of one section of the street stunts Monday in connection with the Armistice day program. He announces five events for boys, the first being a horse and rider relay, which will be staged by 20 boys, five on each team. Four boys will act as horses and there will be one rider. The rider must transfer "mounts" and cover the entire course without touching the ground. Then there will be an obstacle roller skate race, in which six boys on skates will compete, finishing the course wrapped in a sack, after going through and over numerous obstacles. There will also be a spud race and a bicycle obstacle race. The four contestants in the latter event must wear bathing suits under their street clothes. In the race they will go a certain distance and remove one garment, then a little farther and remove other clothing until they are wearing only their bathing suits, and must then return over the course and must reach the tape fully clothed with all garments buttoned and shoes properly laced.

The "Dizzy-Izzy" race for 8 contestants is another unusual stunt, which will make the spectators and participants alike dizzy. The stunt program starts at 9 o'clock on Jackson street.

NICE NAME CLOAKS CHICAGO "RACKET"

"Law and Order League" Members Facing Charges of Liquor Selling and Raiding

(Associated Press Leased Wire)

CHICAGO, Nov. 8.—The government believed today it had uncovered a new racket under the name of the South Side Business Men's Law and Order league. Among members arrested by prohibition officers yesterday were William Payne, organizer; and Mrs. Lena Wiebrowski, 60-year-old widow listed as president.

Daniel Anderson, assistant United States attorney, said the league's purpose was three-edged: It served to punish those it opposed; it rewarded "customers," and it collected money for law and order.

Anderson said the government was informed that the league sold alcohol and provided a degree of protection to its customers. To saloonkeepers who refused to buy alcohol from it, the league is alleged to have retorted with raids. An office was maintained at which subscriptions were received from persons interested in prohibition law enforcement.

Payne, known as a professional reformer, called the arrest a frameup. "I've been fighting liquor and vice for 10 years," he said.

Mrs. Wiebrowski was surprised at the charges and federal men were convinced she was made president as a blind. She said she believed the league was all its name implied, and told of having written many letters herself asking funds for the league's work.

Mr. and Mrs. E. W. Endicott of this city left last evening for Seattle, where they will enjoy a week's vacation. Mr. Endicott is a local railroad man and Mrs. Endicott is stenographer in the county agent's office. They will visit relatives while in Seattle.

SLIM FIGURE NOW UNFASHIONABLE

Women and Girls Can Now Be Healthy as Well as Stylish

That excessive and unnatural slimness that ruined the health of thousands of women and young girls is no longer fashionable. Paris couturiers are developing clothes for the rounded figure. Musical comedy producers are searching for healthy, normal figures for the stage. All the world is getting health-wise where the human figure is concerned.

This means that women and girls will be encouraged to eat enough varied foods at regular meals to supply the requirements of health. It means that tuberculosis, anemia and other dangerous results of undernourishment may be more easily averted. And to the eyes of discerning men and beauty experts, it means that women will be more natural and more beautiful.

Eat cereals, milk, fruits, vegetables and meats daily. Do not gorge or overeat, but eat variety. Remember that flavor is the one important factor in causing people to eat varieties of foods, and that sugar is nature's supreme condiment for developing the flavors of nearly every healthful food.

The necessity of a dash of sugar for making cereals, fruits and milk desserts delicious is well known. Women cooking experts recently discovered that a dash of sugar in vegetables while they are cooking revolutionizes their freshness and natural vegetable flavors. Most foods are more delicious and nourishing with sugar. The Sugar Institute.
