WALTER E. KIDD'S STORIES APPEAR

Walter Evans Kidd, a former resident of Roseburg, was recently given the honor of having one of his short stories selected for publication in "The Frontier Midlands," March 14 issue. Harriet Monroe also selected four of his lyrics, "Frigid Interval," "Lonely Man," "Praise for the Star" and "Soil Mate," for publication in the "Poetry Magazine."

Mr. Kidd was a teacher in the Roseburg high schools for several years before he was given a position at Washington high school in Portland.

SUTHERLIN BONDS TO BE REFUNDED

SUTHERLIN, Feb. 22.—The Sutherlin city council held its regular meeting last Friday evening, at which time the subject of a proposed refunding bond issue for the city of Sutherlin received considerable discussion. M. R. DeLong of Portland, who represents a large per cent of the bondholders, presented the matter to the council in a most comprehensive way. Mr. DeLong explained that the city is now in a position to handle a refunding bond issue under the plan he suggested. As the plan appeared to be to the city's interests, a motion was made and carried to adopt it. The plan as it was voted upon follows:

"The city of Sutherlin offers to all its bondholders a new refunding bond issue, to be dated March 1st, 1936, and to bear interest at four per cent per annum, and two per cent on all past due interest."

Also during the meeting, Miss Mildred French appeared before the council to present a request for permission to decorate the council room as a work project for her adult educational classes, of which she is supervisor. The council voted to supply $15.00 to cover costs of drapes, well paper, etc., the labor to be supplied by the classes.

STUDENTS AWARDED SCHOOL HONORS

DAYS CREEK, Feb. 24 — Susie Hutchinson and Walter Wright were chosen as the most representative citizens of the Days Creek high school for the past six weeks period by their fellow students. Awards of arm-bands to be worn for six weeks were presented to the two at the regular all-school assembly Friday morning. This makes twice that Walter Wright has received the honor. Points considered in the selection include scholarship, tact, sympathy, sense of humor, initiative, enthusiasm, poise, resourcefulness, neatness in dress, desk, and work, cooperation, courtesy, progressiveness, fairness, courage, earnestness and dependability.

Negotiations have been completed with the master engravers for various class and school supplies, including a plaque upon which will be engraved each year the name of the outstanding girl and boy in the senior class. It will take five years to fill the plaque. As a further incentive for proficiency on the part of the students, five medals will be awarded at the close of school this year, one for the student who best lives up to the ideals of citizenship, one each to the girl and boy excelling in activities, and one each to the girl and boy who makes the best all-around showing in athletics.

DAYS CREEK SCHOOL ELECTS TEACHERS

DAYS CREEK, Feb. 24 — Days Creek's three grade school teachers were all reelected for the coming year by the grade school board of directors at their joint meeting with the high school board Friday evening. The teachers reelected for their second terms here are David Adamson of Myrtle Creek, 7th and 8th grades and high school boys' athletic coach; Miss Carol Clark of Ashland, 4th, 5th and 6th grades, and Miss May Gross of Yoncalla, primary grades.

Principal C. C. Hill and Miss Margaret Sagaberd, assistant high school teacher and coach of girls' athletics, the other two members of the faculty, were reelected by the high school directors at their regular January meeting.

Wood contracts for the coming year were let Friday evening to Pete Ulam and Albert Janko, each to furnish twenty cords of fir, the entire amount being forty cords.

SCHOOL ELECTS STUDENT OFFICERS

DAYS CREEK, Feb. 24 — Patterning their student body election after the primary and general elections of the state, the Days Creek high school students came through their political scramble Thursday with the following officers chosen for the spring semester: Walter Wright, president; Glen Boyd, vice president; Susie Hutchinson, secretary; Wilma Ellison, treasurer, and John Dean, sergeant-at-arms.

Following the primary election held several days prior to the general election, a number of "dark horses" entered the race on the independent ticket. Campaign speeches setting forth each candidate's political platform added considerable interest to the election.

PORTLAND, SEATTLE IN SAFETY CONTEST

PORTLAND, Ore., Feb. 23.—(AP)—Human life will be the stake in a six months' contest between Seattle and Portland to see which city can show the greater reduction in traffic accidents.

Mayor Joseph Carson and Worth W. Caldwell, chairman of the Portland accident prevention committee, accepted today the challenge thrown down by Lou Kessler, president of the Seattle safety observers.

The contest will start March 1 and continue six months. Each city will be scored on its percentage of accident reduction under the corresponding six months of 1935.

Mayor Carson said Portland's traffic toll was cut 20 per cent last year through a "let's quit killing" campaign and other efforts.

FRUIT GROWERS ELECT OFFICERS

SUTHERLIN, Feb. 22.—The Sutherlin Fruit Growers association held its annual meeting at the warehouse Tuesday. The following officers were elected: C. E. Talbot, president; W. J. Shupe, vice-president; W. S. Duer, secretary and treasurer, and A. P. Slack, manager.

The manager's annual report shows an increase in business of about twenty-five percent over the last year. A six per cent dividend was declared on the capital stock.

This association has been in business in Sutherlin for twenty-five years and has been under the present management for the past twenty years with uniform success.

SUTHERLIN TO HAVE NEW GARAGE

SUTHERLIN, Feb. 22.—John W. Leitzel is completing plans for a new modern garage building, soon to be built on his property at the southwest corner of Central avenue and Calapooia street.

The new structure will face Calapooia street and have a double-door entrance. It will occupy a ground space of 22x32 feet. The floor will be concrete with an air pressure hoist in the center for elevating automobiles to facilitate greasing. Also some new equipment is to be added for handling general repair work.

The building will be of wood construction and the estimated cost is placed at $1200.
