WHY NOT ENJOY THE MOST DESIRABLE OF CITY CONVENIENCES?

WATER SUPPLY UNDER PRESURE

YOU NEED A

Leader Water System

IN YOUR HOME

No doubt you have often envied your city friends and wished for the conveniences afforded by modern water supply under pressure, in your home. The Leader Water System will enable you to enjoy these advantages more thoroughly than is possible with any other system. The Leader is not an ordinary farm water supply system with its attending troubles and annoyances, it is far from ordinary. It will furnish a dependable supply of water wherever and whenever you desire it. You can enjoy modern home conveniences, such as the bath, toilet, etc. You will have plenty of water for all domestic purposes, the laundry, sprinkling and PROTECTION AGAINST FIRE, that danger which constantly menaces the rural home. Pressure up to 125 pounds may be obtained with The Leader System. As is shown in the illustration, the tank may be placed in the basement (more often it is placed underground) where it keeps the water cool and fresh in summer and prevents freezing in winter. The beauty of The Leader System is that it is practically troubleless. With the exception of a few moments when the water or pressure becomes low, it needs no attention. But for the fact that every time you have occasion to call on its services you are reminded of its efficiency, you would forget that you had such a thing as an independent water supply. We will be glad to give you an estimate on a system that will meet your requirements, use the coupon.

Democratic Nominee for County Judge, Stands for the Direct Primary and Statement No. 1.

I will stand, if elected County Judge, for an economical administration of my office, and will take a special interest in trying to save the taxpayers all the money possible, and will endeavor to have the road construction and bridge work done and managed in such a way as to be as equal and just among the people of Clackamas County as it is possible.

I will also insist that there be no more deputies and clerks employed about the court house during my term of office, than is absolutely necessary to economically and properly carry on the business made necessary by law.

As a member of the Board of Equalization I shall deem it my duty at all times to so act as to do absolute justice to the taxpayers in equalization of their taxes.

I will, if elected, to the best of my ability, perform the duties of the office of County Judge in such a way as to give the people a safe, sane and business-like administration.

If elected, I will have no pets and favorites and will conduct the business in such a way as to give all people with whom I have business, an absolute square deal, regardless of their political affiliations.
