Today's Pattern

PRESENTING FOR SPRING . . . A NEW BOLERO ENSEMBLE

By CAROL DAY

Make it yourself, with this easy design, as shown in Pattern No. 8443, that brings you the latest news from Paris about the all-important bolero ensemble. Notice that the skirt has a swirling, circular flare. The shoulders are wide. The waistline is small and the bolero, clearing it by a flattering margin, makes it look even smaller. These are all up-to-the-minute fashion points. And the flash of white, in cuffs and wide revers, is the nicest, newest and most spring-like touch of all.

Make this charming fashion (and right away, so that you can be among the first to wear it, while it's newest of the new) in flat crepe, faille, thin wool or silk print. Use eyelet-embroidered pique or batiste, fine lawn or linen for the white accents. The wide revers are so becoming.

Pattern No. 8443 is designed for sizes 12, 14, 16, 18 and 20. Size 14 requires 5¼ yards of 39-inch material for the ensemble; 7/8 yard contrasting for collar and cuffs.

Send your order to the News-Review, Pattern Department, Roseburg, Oregon.

HAPPY RELIEF FROM PAINFUL BACKACHE

Many of those gnawing, nagging, painful backaches people blame on colds or strains are often caused by tired kidneys—and may be relieved when treated in the right way.

The kidneys are Nature's chief way of taking excess acids and poisonous waste out of the blood. Most people pass about 3 pints a day or about 3 pounds of waste.

Frequent or scanty passages with smarting and burning shows there may be something wrong with your kidneys or bladder.

If the 15 miles of kidney tubes and filters don't work well, poisonous waste matter stays in the blood. These poisons may start nagging backaches, rheumatic pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness.

Don't wait! Ask your druggist for Doan's Pills, used successfully by millions for over 40 years. They give happy relief and will help the 15 miles of kidney tubes flush out poisonous waste from the blood. Get Doan's Pills.

EAGLES PLAN DRIVE FOR NEW MEMBERS

Troupe of 15 Entertainers Dated for Convention to Be Held Here.

An extensive membership drive, marking the completion of the term of Earl McCoy in the office of president, will be undertaken by the Roseburg aerie of the Eagles lodge. It is planned to offer many prizes to the membership in connection with the campaign, the prizes ranging from sets of silverware down to key cases. All members are to be eligible for the prizes, which will be announced at the next regular meeting, the committee reported today.

Following the regular weekly meeting of the lodge, at which the campaign was planned and nominations made for next year's officers, the lodge served ice cream and cake to the junior drum corps and drill team honoring the showing made by the organizations at the district convention held Sunday in Cottage Grove.

The Roseburg teams, accompanied by more than 100 additional lodge members, attended the convention at which nine drill teams and drum corps from eight aeries participated. Roseburg's two entries each took second place, while both first places were won by Marshfield.

Convention Plans Advanced

It was reported at the Cottage Grove meeting that there is every indication for a very large attendance at the state convention to be held in Roseburg June 29, 30 and July 1. The convention committee has just returned from Portland where various arrangements for the forthcoming meeting were completed. The committee announced arrangements had been made for a troupe of fifteen entertainers to present a floor show in connection with a cabaret to be conducted during the convention as a public entertainment feature. The program will be clean and decorous and will be enjoyed by all, the committee states. Preparations are being made by the convention committee to entertain at least 2,000 visitors.

CATCH MADE FROM RIVER, NOT CREEK

Oscar Klinke, of the Douglas Ice and Storage Co., is quite pleased the game wardens haven't had time to read the newspapers. Klinke, who brought in a fine display of fish for Monday's fishing derby, made his catch from the North Umpqua river in the Susan creek district, but by mistake it was reported that he was fishing in Canton creek. As Canton creek happens to be a closed stream, Klinke has been hastening to make explanations before the game warden catches up with his reading.
