OFFICERS SEVERELY CENSURED

(Scripps News Association)

Washington, D. C. May 15—The War department has received the record in the court martial case of Capt. L. M. Koehler of the 4th. Cavalry, who is on duty in the Philippines, and who got into trouble by making baseless charges against Major H. L. Scott, the cavalry officer who has been distinguishing himself at Jolo, who made a fine record in Cuba and who was one of the old Indian fighters. Captain Koehler appears from the record to have been lacking in tact and to have produced a disturbance in the garrison where he was stationed. He was sentenced to be reprimanded by the reviewing authority, who chanced in this case to be General T. H. Bliss, who regarded the sentence as altogether inadequate. General Bliss added: "The evidence shows that Captain Koehler has been guilty of conduct which indicates that he is seriously wanting in those clean-cut and well defined conceptions of a soldier's duty which should be found in every officer of the army; that his conception of the standards of uprightness as they exist in the army are distorted to a degree not found in the just and fair-minded. In administering the reprimand the reviewing authority would remind Captain Koehler that he should cultvate those habits of true soldierly subordination which the evidence in this case shows him to lack."

SELDER, The Candy Man

Vinol is fast superseding old-fashioned cod liver oil and emulsions because, without a drop of oil or disagreeable feature, it contains all the medicinal elements of cod liver oil, actually taken from fresh cods' livers. By our process the oil, having no value either as a medicine or food, is separated from the medicinal elements and thrown away. Unlike old-fashioned cod liver oil and emulsions, Vinol is deliciously palatable, agreeable to the weakest stomach, and therefore unequaled as a body builder and strength creator for old people, puny children, weak, run-down men and women, after sickness, and for all pulmonary diseases. Everything Vinol contains is named on the label.

OUR GUARANTEE—We have such faith in VINOL that if you will take it we promise if it does not benefit or cure you we will return you your money without question. We take all the risk.
