## Sign of Spring?

CHICAGO—John Donnan, 25, is in the gent charged with disorderly conduct because he kissed his wife—at least, that was a contributory cause.

When two policemen tried to put their squad car in the station house garage, they found the entrance blocked by Donnan's car. Inside was Donnan kissing Sophie, his bride of four months, because "we're just making up after a quarrel."

Donnan wouldn't move the car. The uncomantic cops couldn't see the point. One word led to another, and Sophie went home alone.
