A. M. RUNNELLS OF JOSEPH FILES

WILL SEEK REPRESENTATIVE OFFICE THIS YEAR.

Files Declaration of Intentions to Run for State Legislature.

Joseph, Ore., Feb. 23.—(Special)—Declaration of candidacy for representative from the Twenty-fourth representative district, comprising Union and Wallowa counties, was filed on the 17th with the secretary of state, county clerk of Union county, and the county clerk of Wallowa county, by Arthur M. Runells, City attorney of Joseph.

Mr. Runnells is a republican of the progressive type, and is strong and insistent in the belief that the will of the people should be the law of the land, and that the rights of all the people should be protected against the unlawful intrusion and corrupting influence of powerful business interests.

Mr. Runnells is a lawyer of considerable prominence in Wallowa county, and, it is understood, will make a hard fight for the nomination for the office of representative from his district.

ARE MICROBES IN YOUR SCALP?

It Has Been Proved That Microbes Cause Baldness.

Professor Unna of Hamburg, Germany, and Dr. Sabourand, the leading French dermatologist, discovered that a microbe causes baldness. Their theory has time and again been amply verified through research experiments carried on under the observation of eminent scientists. This microbe lodges in the Sebum, which is the natural hair oil, and when permitted to flourish it destroys the hair follicles and in time the pores entirely close, and the scalp gradually takes on a shiny appearance. When this happens there is no hope of the growth of hair being revived.

We have a remedy which will, we honestly believe, remove dandruff, exterminate the microbe, promote good circulation in the scalp and around the hair roots, tighten and revitalize the hair roots, and overcome baldness, so long as there is any life left in the hair roots.

We back up this statement with our own personal guarantee that this remedy called Rexall "93" Hair Tonic will be supplied free of all cost to the user if it fails to do as we state.

It will frequently help to restore gray and faded hair to its original color, providing loss of color has been caused by disease; yet it is in no sense a dye. Rexall "93" Hair Tonic accomplishes these results by aiding in making every hair root, follicle, and pigment gland strong and active, and by stimulating a natural flow of coloring pigment throughout the hair cells.

We exact no obligations or promises—we simply ask you to give Rexall "93" Hair Tonic a thorough trial and if not satisfied tell us and we will refund the money you paid us for it. Two sizes, prices 50 cents and $1.00. Remember, you can obtain it only at our store—The Rexall Store.

How La Grande Citizens Can Find Complete Freedom From Kidney Troubles.

I. N. Peterman, Granite St., Sumpter, Oregon, says: 'The public statement I gave in 1907 in praise of Doan's Kidney Pills was correct in every detail. I have taken this remedy several times since then and it has never failed to give me prompet rlief. For seven years I was badly afflicted with kidney ocmplain and was unable to work. Two years of that time, I had to use crutches when getting about. My back ached most of the time and my kidneys were badly disordered. Doan's Kidney Pills benefited me in every way and since learning of their merits, I have told many other people about them."

Why Salves Can't Cure Eczema

Since the old-fashioned theory of curing eczema through the blood has been given up by scientists, many different salves have been tried for skin diseases. But it has been found that these salves only clog the pores and cannot penetrate to the inner skin below the epidermis where the eczema germs are lodged.

This—the quality of penetrating—probably explains the tremendous success of the well known liquid eczema remedy, oil of wintergreen, thymol, glycerine, etc., as compounded in D.D.D. Prescription.

We have sold other remedies for skin troubles but none that we can recommend as highly as this for we know that D.D.D. stops the itch at once. We can give you a trial size bottle for 25 cents that will be enough to prove it.

Of course all other druggists have D.D.D. Prescription—go to them if you can't come to us—but don't accept some big profit substitute.

But if you come to our store, we are so certain of what D.D.D. will do for you that we offer you a full size bottle on this guarantee:—If you do not find that it takes away the itch AT ONCE, it costs you not a cent.
