steps indicate increasing realization among governments that TRADE is what makes the modern world go.

THE next big and vital step would be realization that war WEAKENS NATIONS by destroying the trade by which they live. If that thought could be driven into the thick skulls of the war-makers it would mark another great step in human progress.

In earlier centuries, war undoubtedly paid dividends. IT NO LONGER DOES.

WITHOUT rancor toward Japan, it would be a tremendous victory for the common people who do the fighting and the dying and generally bear the heavy end of the war burden if Japan should go down utterly into chaos as a result of her war of conquest in China.

That would help to bring home to war-makers everywhere the fact that wars of conquest no longer pay.

FOR a time, after the fact of war had settled upon the world, there was considerable talk of revolution in Germany. Internally, it was said, Germany was falling apart; and it would be only a question of time before the whole nazi regime collapsed and 80,000,000 German people would shout "kamerad" across the North sea and over the Siegfried line.

By now, most of these expressions of wishful thinking have subsided. Most observers recognize that rebellion of the German masses is not imminent. The people under Hitler have ration cards, it is true, but so have the British. And, while war has increased restrictions upon citizens in the reich, most of them had long before become used to having their personal freedom clipped bit by bit—so that when war broke out there were really few additional limitations that could be imposed.

It would be pleasant to believe confidently that in a month or so the German people, 80,000,000 strong, will rise up, depose Hitler and his henchmen and throw open their arms to any reconstruction policies the allies might suggest.

* * *

Little has been heard, recently, of the British campaign to propagandize a spirit of unrest among the German people by dropping pamphlets and distributing literature through various other channels. Underground movements are presumably continuing their work, but the propaganda broadside has largely been curtailed because the allies probably realized the time was not ripe for that kind of attack.

Why should it be? The nazis have suffered no staggering defeats in the war. There is no evidence that actual starvation exists. The people know no arguments but those advanced by Hitler. Channels of outside opinion and thought are closed to them, and the German propaganda machine is extremely effective. There is no opportunity to organize an effective revolutionary movement in the reich, and the people are not yet disillusioned to the point where spontaneous revolt is likely to break out.

Eventually such a rebellion is likely to occur. Baron Stefan de Ropp of Poland, representing his dismembered nation as commissioner at the New York World's Fair, recently predicted that dissension among the civil, military, party, and police elements within Germany would ultimately defeat the reich. But even those divergent forces are more apt to stick together as long as they have a common enemy.

* * *

It becomes more apparent, therefore, that the war on the western front will go on, and that in the months to come, it will not be as quiet as it seems now. There will be blood, and pillaging and bombings and atrocities of all kinds. Accounts will be relayed to this country, dramatized, aimed at enlisting our sympathy and softening our resistance to possible participation.

It is easy, now, for us to say we're neutral and we intend to remain so. There is no real pressure. When the war really begins and the propaganda boys turn on the steam, then we shall be called upon to test our neutrality.

We had better get our feelings now firmly fixed in our minds so we can remember them later.

Defending Champion Yoncalla high school won its fourth straight volleyball title with a convincing demonstration of power and finesse while defeating Glendale high school, 23 to 11, in the final game of the Douglas county B league volleyball tournament played Saturday evening on the senior high school court.

Not given a chance to repeat at the start of the tourney because of a miserable pre-tourney season which saw them lose the title for the northern division to Oakland high school, the under-rated Yoncalla lassies came through the gruelling early rounds of competition in championship fashion, bowling over favorite after favorite until they reached the final match of the year, and with it victory.

Left in a disheveled state in their wake were Elkton, winner of the coastal title, 22-17, and Riddle, the tourney favorite and titleholder in the southern division, 29 to 13. It was another story of "rags to riches", in three easy games.

Their opponent, Glendale, also wasn't given a chance to survive the opening round, but did downing the winner of the northern division, Oakland, 24-23, then leveled Reedsport, 23-21; but when they met Yoncalla, they met their superiors, as the score readily indicates.

In the championship match, the losers took an early lead with Mabel Lewallen and Virginia Winkleman turning in some consistent blocking and kills, but Yoncalla rallied through the efforts of Ruth Stoute and Lee Madden to take a halftime lead of 12 to 8. In the final period, Yoncalla consistently out-played their lesser experienced opponents to take the title in easy fashion.

High point players for the entire tournament were Venola Marsh of Yoncalla and Jean Hiles of Riddle, with 23 marks each. Second place went to Mable Lewallen of Glendale with 11.

Summary:
Glendale (11)—M. Mathews (1), A. McNeel (3), G. Wunsch (1), E. Russell, M. Lewallen, M. McMurren (1), H. Lewallen (4), V. Winkleman (4). Yoncalla (23)—R. Stoute (4), V. Swearingen, E. Lee (1), L. Madden (12), R. Kruse (2), P. Turpin, V. Marsh (2), N. Madden (2).

Grade School Title Taken by Yoncalla

The grade school championship of Douglas county was won by Yoncalla's quintet which defeated Myrtle Creek, 17 to 12, in a low scoring contest played Saturday afternoon on the junior high school floor.

Yoncalla led all the way, 8-4 at the quarter, 12-7 at halftime, and 15-9 at the three-quarter mark, but had to stave off a desperate closing rally staged by the losers in the final period to eke out a four point win.

Madden was high scorer for the winners with six, but individual scoring honors went to Newton of Myrtle Creek with nine.

Summary:
Yoncalla (17) (12) Myrtle Creek

Marsters (2) ... C ... Russell
Madden (6) ... G ... Locker
Werman (2) ... G ... (9) Newton
Reserves: Yoncalla — Main, Merk, H. Marsters; Myrtle Creek — Wilson, H. Corte, Gazley.

Howard Applegate, Yoncalla's high powered scoring ace, captured the individual scoring race of the Douglas county B league tournament with a total of 65 points garnered in four contests to average better than 16 markers per game. The uncanny marksmen potted 28 field goals and converted nine gift shots from the free throw lane to amass his high mark. Only five personal fouls were charged against during the tournament.

Harold Brown, Sutherlin's hot shot, and Paul Anderson, Elkton's pace-setter, tied for second in scoring with 40 points, though Brown had the better average, getting his two score in three contests to Anderson's four. Stewart Mathis of Yoncalla was third with 31 points in four games. Jack Dunn, Reedsport's brilliant ball-hawk, tallied 30 in three games.

Boil Postpones Garcia's Fight With Armstrong

HOLLYWOOD, Feb. 19.—(AP)—Celerino Garcia has a boil on his knee so there won't be any fight for the middleweight boxing championship come Thursday night.

Garcia, the Filipino titleholder, was to have met "Hammerin' Henry" Armstrong, but the state athletic commission approved a delay until March 1 when physicians announced Garcia would be out of training for several days.

The postponement is the second for the pair. More than a year ago, when Garcia sought Armstrong's welterweight title in New York, the negro fell and received a back injury. Garcia lost a decision three weeks later but his supporters said he had gone stale meanwhile.

Trojan Basketball Team Clinches District Crown

SAN FRANCISCO, Feb. 19.—(AP)—With Southern California's Trojans a shoo-in for the title, the southern division basketball race in the Pacific coast conference boiled down today to the rivalry for second place.

The Trojans dropped their first game of the season at Berkeley Friday night, losing to California, 38 to 30, but came back with a 49-to-22 victory Saturday night to virtually clinch the division crown with seven wins.

Second-place Stanford, meantime divided a two-game series with the U. C. L. A. Bruins, winning Friday night at Los Angeles, 51 to 42, but losing Saturday night, 42 to 37.

Stanford, which has four victories and four losses, leads California by one game for second place. California, however, might take the spot this week-end, when the Bears play U. C. L. A. twice at Berkeley and Stanford comes up against the Trojans at Palo Alto.

RHS Indians Win Over North Bend

Result Places Both Teams in First-Place Tie; Locals Play Myrtle Point Next.

The Roseburg high school Indians, after dropping a basketball game Friday night to the Marshfield Pirates, who are in fourth place in conference standings, staged a come-back Saturday night to beat the North Bend Bulldogs, 31-to-21, to stay in a tie for first place. Roseburg and North Bend now are tied, each with two losses, for the top position in the Coos-Douglas league standings. This week's play is expected to determine positions in the annual championship tournament to be played at North Bend March 1 and 2.

A sudden shift in tactics, in which the Indians exhibited exceptionally fine ball handling and an exasperating stall, put the Roseburg team out in front in the third period, after the two teams had played on even terms during the first two frames.

During the first and second quarters the score was very close and was frequently tied. Each team had six points at the quarter and the score was tied at 10-all with only seconds to go before the half when Sanders uncorked a long toss to put the Indians out in front 12-to-10 at the halfway mark.

Stalling Baffles Bulldogs

Both teams had been using a fast break during the half but in the third period Roseburg suddenly began stalling and succeeded in drawing out the North Bend defense to stop Sanders and Baker, who were dropping in long shots. As the defense spread out, Roseburg used set plays to work the ball in for short shots, completely demoralizing the Bulldogs, who were trailing 18 to 26 as the game went into the final period.

The Indians continued their stalling tactics and the desperate Bulldogs committed many personal fouls in the last few minutes of play in their efforts to gain control of the ball.

Coach Jim Watts was particularly pleased by the ability of his protegee in converting long shots, and in recoveries off the backboard.

Myrtle Point Next Foe

The Indians will play Myrtle Point at the senior high school gymnasium Friday night in the last home game of the season. A non-conference game will be played Saturday against University high school in Eugene. The team will go to North Bend Friday and Saturday, March 1 and 2, to participate in the district tournament. Winner of the district title will participate in the state championship playoff at Salem, March 13 to 16, both dates inclusive.

Lineups for Saturday night's game were as follows:

Roseburg (31)		(21) North Bend
Puckett (8)	F	(4) Fox
Finlay (7)	F	Kelly
Wiard (6)	C	(4) Wigant
Sanders (5)	G	(6) Crowell
Baker (5)	G	(5) Henderson

Substitutions: Roseburg — Hughes; North Bend—Frauson (2).

By MAYNARD BELL

Sutherlin high school, winners of the northern division title and the dark horse entry of the tourney, climaxed the thrilling three-day annual Douglas county B league basketball tournament by capturing their first county crown with a brilliant victory over Reedsport, 32 to 23, in the championship clash staged Saturday evening on the Roseburg senior high maple court before a jam-packed house.

Preceding the titular battle, a powerful Yoncalla high school quintet, second-place winner to Sutherlin in the northern division, added to those laurels by annexing the consolation championship with a convincing triumph over Elkton, the surprise team of the tournament, 30 to 21.

The regal colors of the winning quintet—Royal Blue and White—now grace the throne room, displacing the Red and White of the abdicating title-holder, Drain high school, which failed to enter the 1940 tournament because eliminated by both Sutherlin and Yoncalla in the same division.

The winner survived the gruelling rounds of tourney play and garnered one of the finalist spots by posting wins over Glendale, 40 to 14, and Elkton, 23 to 18. Reedsport advanced to the big game with a hard-earned victory over Yoncalla, 29 to 26, and a trounncing of Myrtle Creek, 45 to 14.

Early Lead Retained

Coach Cliff Horner's pugnacious Bulldogs secured a death-grip on the championship gonfalon early in the second quarter of the battle-royal and never relinquished their hold until the battle was won. However, before they could sink their teeth into a piece of the coveted cloth, emblematic of the county title, the Reedsport Braves buffeted them around from pillar to post in the opening period, to lead 9 to 4.

The tide of battle changed shortly after the second canto opened, but not until Reedsport had taken an 11-to-5 lead, when Everett Owens, Lewis Allen and Marshall Parazoo teamed together to stage a brilliant rally which rushed the quintet from the lower Umpqua off their feet and gave the Bulldogs a 7-point margin at halftime, 18 to 11.

Jack Dunn, Reedsport's cat-like forward who played a whale of game for the losers, electrified the crowd with two lightning-like pass interceptions which he turned into field goals, and a converted foul shot, all of which came almost immediately after the second half opened, and narrowed the gap to 18-16 before the Bulldogs called time out and squelched the rally.

A beautiful goal from mid-court by Owens and two converted charity tosses by Parazoo gave Sutherlin a 6-point advantage at the three-quarter mark, 22 to 18. The final stanza was all the Bulldogs as their margin jumped to 30-17 on baskets by Brown and Coenenberg and two by Owens. Jack Brandon and Dalton Pinion each connected for Reedsport to make it 30-21, but Allen came back with another goal for Sutherlin's final points. Converted free throws by Brandon and Harvey Kyllo ended the scoring.

High scoring honors were shared by Owens and Dunn, each with 11. Second place went to Allen with eight and Brandon had seven. Brown, whose phenomenal shooting in the first two contests had totaled 36 points, was held to a single field goal and two converted free throws for four points by Reedsport's strong defense. While the Braves were concentrating their efforts in stopping Brown, Owens and Allen were allowed plenty of opportunities to cast off from mid-court and around the keyhole of which they readily took advantage.

Summary:

Sutherlin (32)		(23) Reedsport
Brown (4)	F	(11) Dunn
Blueard (2)	F	(2) Pinion
Parazoo (4)	C	Morin
Allen (8)	G	(7) Brandon
Owen (11)	G	(2) Morehe

Reserves: Sutherlin — Coenenberg (2), Smith (1); Reedsport — Willard, Kyllo (1), Dye.

Missed Free Throws: Sutherlin—Allen (2), Owens (2), Smith; Reedsport— Dunn, Brandon (2), Willard (2).

Yoncalla 30, Elkton 21

Howard Applegate and the rest of the Yoncalla high school basketball team proved to be a too-potent combination for Elkton high school to contend with and the Eagles posted their third win of the tourney by downing the Elks, 30 to 21, to win the consolation championship.

Yoncalla, after dropping a tough decision to Reedsport in the opening contest of the tourney, 29 to 26, waltzed through Camas Valley, 30 to 13, Lookingglass, 38 to 23, to reach the little championship battle. Elkton, also, had come through with flying colors in the hard way, first defeating Lookingglass, 38 to 18, then dropping a hard-fought embroiligio to Sutherlin, 23 to 18. The Elks' final win was over Myrtle Creek, winners of the southern division flag, in an overwhelming fashion, 42 to 17, for one of the biggest up-set victories of the tournament.

As in every contest of the tourney, Yoncalla was paced to its victory by the almost unstoppable, 6-foot-2 center, Applegate, who garnered 18 points for another field night. This lanky lad, who is unquestionably the finest shot seen in the three-day hoop jamboree, staged a one-man scoring exhibition rivalled by none. Against Reedsport, while losing by three points, he hit for 14; then 15 against Camas Valley, 18 against Lookingglass and another 18 against Elkton for a grand total of 65 points and an average of better than 16 points per contest.

With the big 6-foot-5 Stewart Mathis, Yoncalla center, and Applegate, doing a splendid job in controlling rebounds from off the backboard, the fighting Elks found the task too much for them but they never gave up. Yoncalla took a commanding lead at the end of the first quarter of 9 to 4 and was never headed or in danger of dropping the contest. Their halftime advantage was boosted to 15-8 and were out in front by the same margin, 21-14, at the start of the final quarter.

With the dynamic little Paul Anderson, Elkton forward, directing his team's play, and with the Slagle brothers, Joe and Bernie, doing some grand defensive work, Elkton made Yoncalla work for every point. Each of the Elkton players had a tiny rabbit's foot dangling from the belts of their trunks, but even that was not enough to muzzle Applegate.

Summary:

Yoncalla (30)		(21) Elkton
Applegate (18)	F	(5) Anderson
Cox (3)	F	(1) B. Slagle
Mathis (7)	C	(3) Z. Adams

Reserves: Yoncalla — J. Dodd (1), M. Dodd, Palmer (1), Rice; Elkton—Madison (3), A. Adams, Weatherly, Masters, Smith.

Lookingglass 23, Yoncalla 38

Yoncalla earned the right to enter the consolation championship Saturday morning by taking an easy victory over Lookingglass, 38 to 23. It was the second loss of the tourney for the Yellow Jackets and eliminated them from tourney play. The winners led all the way, 6-13, quarter; 18-13 halftime; 28-17, third quarter.

Applegate continued his tourney scoring spree by dunking in 18 points to lead both quintets in scoring. Mathis found his shooting eye also and holed out 11 markers. Buell was high for losers with 7.

Summary:

Lookingglass (23)		(38) Yoncalla
Buell (7)	F	(18) Applegate
Davidson (3)	F	Cox
Ward (6)	C	(11) Mathis
Mathews	G	(4) Main
Felt (5)	G	Gross

Reserves: Yoncalla—J. Dodd (1), M. Dodd, Palmer, Rice (2), Wittmeyer (2); Lookingglass — Green (2).

Elkton 42, Myrtle Creek 17

Coach W. L. Regele's amazing Elkton quintet turned in one of the most astounding victories of the entire tournament when it smashed and ran rough-shod over Myrle Creek, 42 to 17, to go into the consolation championship finals.

The Vikings from southern Douglas county, the most disappointing team of the tourney, never had a chance as the "hot" Elks poured basket after basket through the hoop. Only in the final quarter did the losers rouse themselves from their three-quarter lethargy, during which they scored only seven points, and in that stanza they rallied to outscore the winners, 10 to 6.

Elkton was led to its victory by Paul Anderson, who had another good night, potting 11 points. Griffith was second with nine. Shirtcliff was high for Myrtle Creek with eight.

Summary:

Myrtle Creek (17)		(42) Elkton
A. McDougal (2)	F	(11) Anderson
Rust (2)	F	(7) B. Slagle
D. Byer (1)	C	(6) Z. Adams
