Good digestion is the foundation of good health. Foley Cathartic Tablets keep the bowels regular, sweeten the stomach and tone up the liver. There is nothing better if one desires an old-fashioned, harmless physic—gentle in action, yet thoroughly cleansing in effect. J. P. Gaston, Newark, Ind., says he used a great many kinds of cathartics, but Foley Cathartic Tablets gave him more satisfaction than any other. He says they are the best cathartic tablets made. NOTHING IN A NAME.

WASHINGTON, D. C., September 3.—Oil Bill Shakespeare was right. There's nothing in a name. All of which is a prelude to the announcement that while a man be Slack, it doesn't follow that he's a slacker. And as evidence of this is the fact that a recommendation list which recently arrived at headquarters of the United States Marine Corps, bears the name of Preston Leo Slack, a private in the Marine Corps, calling attention to his bravery under fire.

Slack is commended for being "notable in his remarkable courage and fidelity to duty as a liaison agent in the operations against the enemy in the Bois de Belleau."

Private Slack enlisted in the U. S. Marines, May 29, 1917, at Boston, Mass. He is a son of William P. Slack, of Shedford Center, Vermont.

Clark, Springfield, Ohio, writes: "I found no relief from kidney trouble until I discovered Foley Kidney Pills. Now I am in A 1 shape." They act quickly and surely. Sold everywhere.—Adv.
