Wholesome Food Keeps the Children Well

A mother writes:

"We always use Royal Baking Powder because we *know* when we use it we are not using anything injurious."

Prudent mothers avoid cheap baking powders because they frequently contain alum, a mineral acid. No matter how much they are urged to change, they stick to

ROYAL Baking Powder

They KNOW it is absolutely pure

Royal contains no alum—Leaves no bitter taste

Heal Skin Diseases

It is unnecessary for you to suffer with eczema, tetter, ringworm, ulcers and other skin troubles. A little zemo obtained at any drug store for 35c, or $1.00 for extra large bottle, and properly applied will usually relieve the most intense itching, burning. It dissolves and destroys the germs that feed on the diseased tissue, and then healing begins. Zemo is a wonderful penetrating, yet soothing, liquid that is non-greasy, non-staining, clean and pleasant to use, and is not expensive, as only a few drops are required at a time. Zemo is sold by all druggists.

The Eleventh Annual Exhibit
UNION LIVE STOCK SHOW Association

Wednesday, Thursday and Friday. June 11, 12 and 13, '19

There will be an unusually fine stock exhibit, in many departments superior to any ever shown by this association.

A track and arena program, including relay, chariot, Roman, cow-boy and other races, and wild-west stunts of many kinds, will be presented each day, with no tiresome waits.

Music will be furnished by the O.-W. R. & N. and Elgin bands.

One of the largest carnival companies on the coast, with a varied assortment of attractions, will provide amusement at night.

Stock exhibits from a wide territory tributary to Union and from points outside are certain.

This is the year when all should see the big show. All roads lead to Union at Stock Show time.
