Douglas County Blood Donors Set Two-Way Record in Portland Trip

Photo Courtesy Oregon Journal

A new blood donor, two-way record was established when 55 persons from Roseburg and vicinity went to Portland recently with the caravan pictured above, to give a pint of blood, each, to the American Red Cross blood bank. The record was for the longest distance travelled and the largest number in one party.

Mrs. Violet Hannon, executive secretary of the Douglas county chapter, reports plans are being made for a similar caravan Sept. 15, and registrations are now being accepted at the Red Cross office in the Pacific building.

It is planned to take one bus load from Roseburg and another from Reedsport. The two busses will meet at Drain and will travel together into Portland.

Donors also are to be recruited at Glendale, Tiller, Days Creek, Azalea, Myrtle Creek, Riddle, Canyonville and other points in the southern part of the county to join a group from Roseburg on a trip to be made Sept. 22.

In each case free transportation will be furnished, but members are expected to pay their own cost of hotel rooms and meals.

Persons desiring to join either of the two planned caravans are requested to notify the Red Cross office and to express their preference of dates.
